Using this guide:
This guide was created to assist the public in accessing the river-based recreational sites of the Richmond Region, as well as those located along the rivers’ opposite banks. Each site is open to the general public, although many charge a small daily fee.

Online resources:
For more information on recreational access to our rivers, please visit these websites:
- Friends of the Lower Appomattox River: www.folar-va.org

- Department of Conservation & Recreation: www.dcr.virginia.gov
- Department of Game & Inland Fisheries: www.dgif.virginia.gov/boating/access

Safety Tips:
- Wear a life jacket while on the river (required by law when the river is over 5 feet).
- Don’t swim or boat alone.
- High waters can be very dangerous. Check the river levels beforehand by calling (804) 646-8228.
- Protect yourself from the sun. Wear a hat and sunscreen and bring lots of water.
- Know where you are. Research your route beforehand and bring a map or GPS.
- Boating or tubing on the James River below Reedy Creek should not be attempted without expert guidance. The areas above Reedy Creek are generally safer for beginning boating and tubing.
- If you are swept downstream, keep your feet from getting caught by floating them in front of you downstream and calmly make your way to the nearest shore.
- In an emergency, call 911.

Public Access Points
- Park or public open space
- Boat ramp or slide maintained by the Department of Game and Inland Fisheries (DGIF)
- Private/Commercial site open to the public
