Richmond Area Metropolitan Planning Organization

The Richmond Area Metropolitan Planning Organization (MPO) is the federal and state designated regional transportation planning organization that serves as the forum for cooperative transportation decision-making in the Richmond area. The Richmond Regional Planning District Commission is the contracting agent and staff for the Richmond Area MPO.

RICHMOND AREA METROPOLITAN PLANNING ORGANIZATION 2004 TRANSPORTATION OPERATORS INVENTORY

The following report provides an inventory of private, public, and social service agency transportation operators serving the Richmond Area. This inventory is utilized by GRTC Transit System as part of its Private Policy to notify interested private operators of proposed projects prior to their inclusion in the Richmond Area Metropolitan Planning Organization's (MPO's) Transportation Improvement Program (TIP) document. This inventory is also utilized by private non-profit organizations applying for Federal Transit Administration (FTA) Section 5310 program funds, in order to identify private operators that may be interested in contracting for services with these organizations. Finally, this inventory is utilized by various area local governments, agencies, and social service organizations as an information base for various study and program purposes.

The inventory information presented in this report was developed based on information provided by private and public transportation operators that returned survey forms (see Appendix A) or returned staff's phone calls. The report also includes those operators listed in phone books, registered with local governments and agencies, or shown in other sources but did not provide information on their services (shown in inventory as "Non-Responding Operators; Survey Forms/Phone Calls Not Returned).

Note that several operators may appear as duplicate listings. In some instances, these operators are leasing taxicabs to owner operators, and are therefore listed separately in local government's taxi certificates records. Several operators are shown in a few categories based on their multiple services. For example, some operators are shown in both charter/rental transit and fixed route transit sections.

This report consists of two parts: Parts I and II. Part I includes transportation operators information for ambulance, charter and rental transit, fixed route transit, limousine, taxi, and vanpools. Part II shows information on paratransit services conducted by social service agencies and private sector transportation providers (e.g., medical services). Each category has two sections: Operators that returned survey forms, and operators that did not return the survey forms. Listed on pages v, vi, and vii are the data sources used to compile the inventory listings and various abbreviations.

The appendix section includes two survey forms and taxicab ordinance excerpts. The survey form I was sent to the private and public transportation providers. It showed survey items (inventory headings) such as agency,

company, address, phone number, fax number, e-mail address, contact person, organization type, service area, Department of Medical Assistance Service (DMAS) eligibility, service time, number of vehicles, driver assistance availability, entry year, and miscellaneous notes. The survey form II was sent to social service agencies and private sector transportation operators that provide paratransit services. The form included all survey items shown in the survey form I plus eligibility requirements for paratransit services, and fare structure. The inventory heading "Entry Year" is the year that an operator was first listed in the inventory, and the year updated information is noted in parenthesis.

Taxicab ordinance excerpts are attached in Appendices. This information was obtained from Chesterfield County Code Section 15, Henrico County Code Section 21, Hanover County Code Section 22.1, and City of Richmond Code Section 30.

DATA SOURCES

1. Capital Region Airport Commission (CRAC) records on taxicab and limousine service providers, September 2004.
2. Resources for Independent Living records on paratransit service providers, September 2004.
3. Correspondence and conversation with private transportation operators, October 2004 – December 2004.
4. GRTC Transit System records on taxicab service providers, August 2004.
5. Henrico County records on taxi and limousine service providers, Finance Department, Henrico County, August 2004.
6. Chesterfield County record on taxicab service providers, Police Department, August 2004.
7. City of Richmond records on taxicab service providers, Police Department, August 2004.
8. Richmond Area Metropolitan Planning Organization's (MPO's) Transportation Operators Inventory, February 14, 2002.
9. Survey responses, October 2004 – January 2005.
10. United Way records on social service agencies, August 2004.
11. Verizon Yellow Book for Richmond, 2004 – 2005; and Verizon Super Pages for Greater Richmond, January 2004.

**B. Taxicab Ordinance Excerpts from
City of Richmond,
Chesterfield County,
Hanover County, and
Henrico County Codes:
Pages B1 – B5**

Taxicab Ordinance Excerpts from City of Richmond Code Section 30, Chesterfield County Code Section 15, Hanover County Code Section 22.1, and Henrico County Code Section 21

1. **Rates -- Generally:** Chesterfield County Code Section 15-195

Except as otherwise provided in this article, it shall be unlawful for the owner or driver of any taxicab to charge a rate above or below the rates established by the board of supervisors.

(See City of Richmond Code Section 30-16, Hanover County Code Section 22.1-33, and Henrico County Code Section 21-124)

2. **Enumerated; Special Discount for Elderly Passengers and Disabled Passengers:** City of Richmond Code Section 30-17

(a) The rates to be charged passengers by certificate holders or drivers of taxicabs shall be as follows, and it shall be unlawful for a certificate holder to permit or a driver to make any greater or lesser charge for the transportation of passengers and baggage:

- (1) For the first one-fifth mile: \$2.50.
- (2) For each succeeding one-fifth mile: \$0.30.
- (3) For each one minute of waiting time: \$0.30.

Waiting time shall include the time consumed while the taxicab is stopped or moving at a speed less than fifteen (15) miles per hour, and time consumed waiting for a passenger beginning five (5) minutes after the time of arrival at the place to which it has been called and the time consumed while it is standing at the direction of the passenger. Waiting time shall not include, and no charge shall be made for, the time lost on account of inefficiency of the taxicab, or its operation, or time consumed by premature response to a call. No charge shall be made for mileage while waiting time is being charged.

For each additional passenger over one an additional charge of one dollar (\$1.00) shall be made; provided, that children six (6) years of age or younger, when accompanying a fare-paying passenger, shall not be deemed additional passengers for the assessment of such additional charge.

- (b) For a trip originating between the hours of 9:00 p.m. and 6:00 a.m. of the day following, in addition to the charges registered on the meter, a surcharge of one dollar (\$1.00) per trip shall be added to compute the fare for such trip.
- (c) The owner of any taxicab, upon receipt of satisfactory proof that a person is sixty-five (65) years of age or older, or disabled, may offer a discount not to exceed twenty (20) percent of the total charge for transportation and services. For purposes of eligibility under this chapter, disabled persons include individuals who are physically, hearing, mentally, or visually impaired. The following identification may serve as satisfactory proof of age or disability: a valid driver's license; a valid GRTC Senior Citizens ID or Medicare Card; a valid GRTC Handicapped or Disabled Identification Card; or a valid identification card issued by a public transportation provider to meet the requirements of the federal Americans with Disabilities Act.
- (d) The owner of any taxicab may enter into written contracts with organizations and companies to provide taxicab services on a negotiated basis. The owner of any taxicab may enter into written contracts with individuals to provide, on a negotiated basis, regular service, as defined in section 30-1. All such contracts must be kept and preserved, and shall be subject to inspection, in the main offices of the taxicab company during the terms of the contract and for twelve (12) months after termination of the contract. The rates to be charged for such services under written contract shall not be fixed, prescribed, or established by the Council. As required in section 30-15, taximeters shall be in operation at all times during the transportation of passengers; however, the charge for such services shall be governed by the written contract, and not the taximeter.

(See Chesterfield County Code Section 15-196, Hanover County Code Section 22.1-34, and Henrico County Code Section 21-124)

3. **Display:** City of Richmond Code Section 30-18

No taxicab shall be operated on the streets of the City in which there is not displayed at some conspicuous point inside of such vehicle, in full view of the passenger or person hiring such vehicle, the rates fixed, prescribed or established for use of any

such vehicle. Such rates shall also be displayed on the exterior of each side of any taxicab in a manner to be approved by the Chief of Police.

(See Chesterfield County Code Section 15-197, Hanover County Code Section 22.1-35, and Henrico County Code Section 21-124)

4. **Drivers Not to Drive Longer than Thirteen Hours in Twenty-Fours:** Hanover County Code Section 22.1-48

No certificate holder shall require a driver to, and no driver shall, drive a taxicab or remain on duty for such purposes longer than thirteen (13) hours in any twenty-four-hour period.

(See City of Richmond Code Section 30-33, Chesterfield County Code Section 15-212, and Henrico County Code Section 21-141)

5. **Certificate Holder to Have Telephone Listing:** Chesterfield County Code Section 15-214

Every certificate holder shall list a telephone number in the Greater Richmond telephone directory that customers can call for taxicab service. If the certificate holder operates five or more taxicabs, the telephone listing shall also appear in the Greater Richmond classified telephone directory. If there has not yet been an opportunity to publish the listing in the required directories, the certificate holder shall list the telephone number with the Greater Richmond directory assistance service.

(See City of Richmond Code Section 30-35, Hanover County Code Section 22.1-15, and Henrico County Code Section 21-126)

6. **Reciprocity:** City of Richmond Code Section 30-58

Upon a finding by the Chief of Police that the County of Henrico, County of Chesterfield, County of Hanover, any county or city contiguous to the City, Henrico County, Chesterfield County or Hanover County or any of them has adopted an ordinance containing provisions comparable to the City ordinance and providing for reciprocity with the City, then vehicles for which a person holds a current and valid certificate of public convenience and necessity issued by the County of Henrico, County of Chesterfield, County of Hanover, any county or city contiguous to the City, Henrico County, Chesterfield County or Hanover

County or any of them and drivers who hold a current and valid permit issued by the County of Henrico, County of Chesterfield, or County of Hanover, any county or city contiguous to the City, Henrico County, Chesterfield County or Hanover County or any of them will be deemed to have complied with the certificate and permit requirements of this article and shall be deemed to possess comparable certificates or permits, as the case may be, issued by the City while such city or county certificates or permits remain in good standing, provided, that no certificate or permit issued by the County of Henrico, County of Chesterfield, County of Hanover, any county or city contiguous to the City, Henrico County, Chesterfield County or Hanover County or any of them shall be valid in the City where the holder of such certificate or permit has applied for and been refused a permit or certificate by the City, or has had such permit or certificate revoked by the City under the provisions of this article and is not eligible for issuance of a permit or certificate by the City.

(See Chesterfield County Code Section 15-177, Hanover County Code Section 22.1-57, and Henrico County Code Section 21-40)

7. **Receiving and Discharging Passengers:** Hanover County Code Section 22.1-43

Every for-hire car shall receive and discharge passengers only at the righthand curb of the street and only when at a full stop; except that passengers may enter or leave a taxicab from the left side at the lefthand curb of a one-way street.

(See City of Richmond Code Section 30-27, Chesterfield County Code Section 15-206, and Henrico County Code Section 21-135)

8. **Transportation of Passengers by Most Direct Route; Payment of Toll Charge:** Chesterfield County Code Section 15-203

All taxicabs shall transport passengers by the most direct route, unless otherwise directed by the passenger. When such route requires the payment of a toll, the driver shall transport the passenger across the toll when the passenger agrees to pay the toll.

(See City of Richmond Code Section 30-24, and Hanover County Code Section 22.1-40, and Henrico County Code Section 21-132)

9. **Taximeters:** City of Richmond Code Section 30-15

Every taximeter shall be equipped with a taximeter prescribed by the chief of police by which the charge for-hire is mechanically or electronically calculated, both for distance traveled and for waiting time, and upon which such charge shall be indicated by means of figures clearly visible to the passenger. The taximeters shall be equipped with a mechanical or electronic device by which the driver of a taxicab can put the taximeter in operation and the device shall be kept in an operating position at all times during the transportation of paying passengers. Roof lights and meters shall operate by use of one switch only so that the light will automatically be lit when the meter is not running. It shall be unlawful for a driver to fail, refuse or neglect to put the taximeter in operation by means of the device when the transportation of every passenger is begun in the City and to keep the device in an operating position at all times during the transportation of each passenger. Taximeters shall be inspected and validated for accuracy during such inspections provided in section 30-13; provided, that the Chief of Police may require the meter's accuracy to be validated by such independent testing agencies as may be approved by the Chief. In the event such independent testing agency is used, the owner shall pay the costs of such validation. Any taxicab found to have a defective taximeter shall not be operated for taxicab service until such defect is corrected.

(See Chesterfield County Code Section 15-194, Hanover County Code Section 22.1-30, and Henrico County Code Section 21-122)

10. **Exemptions from Article; Applicability of Rules of Capital Region Airport Commission:** Henrico County Code Section 21-34

The provisions of this article shall not apply to vehicles listed in Code of Virginia, § 56-274, as amended, with the exception of those vehicles listed in subsection (2) of such section, or to funeral vehicles, or to common carriers of persons or property operating as public carriers by authority of the state corporation commission or under a franchise granted by the county. This article shall not be construed to conflict with or be in derogation of any additional rules and regulations adopted by the Capital Region Airport Commission pursuant to its enabling authority for the operation of for-hire vehicles on its property located in the county.
