Fall Line

Friends of Fall Line

Effort lead by SportsBackers.

www.falllineva.org

Developing 43-mile Fall Line will happen over the next 10-15 years.

Friends of the Fall Line

members can contribute to the construction and maintenance of the trail in a number of ways.

Fall Line

Responsibilities of Friends of Fall Line

- Advocating for the trail
- Tracking trail progress
- Communicating to ensure stakeholders/funders are aware of project segments being built & coordination of funding efforts
- Ensuring consistent look & feel across urban, suburban, & rural landscapes
- Educating on trail benefits, economic impact, connections & history
- Fundraising for trail amenities
- Advocating for maintenance of the trail

Fall Line / Trolley Line Trail

Trolley Line Story Maps

- ❖ Design & Sketchbook
- ❖ History Tour
- Sub committee group will continue to meet
- Henrico has planned out 7.5 miles of trail in 8 segments
- Ashland opened new boardwalk in late April
- Hanover planning for more field visits
