

# Central Virginia Transportation Authority (CVTA) Technical Advisory Committee (TAC)

#### **NOTES**

This meeting is open to the public.

Members of the public are invited to attend in person or virtually. Please alert the CVTA at <a href="mailto:information@cvtava.org">information@cvtava.org</a> if electronic transmission of this meeting fails for the public. Please refer to our <a href="mailto:Statement Regarding Virtual Meeting">Statement Regarding Virtual Meeting</a> <a href="mailto:Participation by Members of the Public">Public</a> for more information.

Check out our complete <u>Public</u>

<u>Participation Guide</u> online to learn about the different ways you can stay connected and involved.

Meetings are also live streamed and archived on our YouTube Channel at **Plan RVA - YouTube.** 

Members of the public are invited to submit public comments either verbally or in writing. Written comments can be submitted through the Q&A/Chat function on Zoom by email to information@CVTAVA.org. Written comments will be read aloud or summarized during the meeting when possible and will be included in the meeting minutes. Verbal comments will be taken during the Public Comment Period on the agenda. Please indicate by raising your hand (in-person participants, where applicable) or through the Q&A/Chat functions on Zoom (virtual participants) if you would like to comment. When acknowledged by the Chairman, please clearly state your name so that it may be recorded in the meeting minutes.

### **AGENDA**

#### **CVTA TECHNICAL ADVISORY COMMITTEE (TAC)**

Monday, August 12, 2024, 1:00 p.m. - Zoom Meeting

If you wish to participate in this meeting virtually, please register via Zoom at the following link: https://planrva-org.zoom.us/webinar/register/WN\_ltoyGVEQTMmiAYlwxIrniQ

1. Welcome and Introductions (Clarke)

2. Roll Call & Certification of a Quorum (Scott)

- **3. Consideration of Amendments to the Agenda** (Clarke)
- **4.** Approval of July 8, 2024, Meeting Minutes page 4 (Clarke)

Requested action: motion for approval of meeting minutes as presented (voice vote).

**5. Public Comment Period** (Clarke/5 minutes)

, ,

6. CVTA TAC Chair's Report

(Clarke/5 minutes)

Reminder for 4<sup>th</sup> quarter locality expenditures.

7. Election of FY25 CVTA TAC Chair and Vice Chair

(Clarke/5 minutes)

Requested action: motion to elect \_\_\_\_\_ as FY25 Chair and \_\_\_\_ as FY25 Vice Chair (voice vote).

8. Henrico County Draft SPAs

(Parsons/5 minutes)

- a. CVTA-0052 Route 60, Route 33 and Beulah Road Roundabout page 7
- b. CVTA-0058 Route 5 and New Osbourne Turnpike Improvements page 15 Action requested: motion to recommend full Authority approval of the draft SPAs as presented (voice vote).

#### 9. City of Richmond Draft SPAs

(Parsons/5 minutes)

- **a.** CVTA-0031 Hull St Phase II (US 360) page 23
- **b.** CVTA-0062 North South BRT page 29

Action requested: motion to recommend full Authority approval of the draft SPAs as presented (voice vote).

#### 10. VDOT Draft SPA - CVTA 0001 - Fall Line Trail DB#2 - page 35

(Parsons/5 minutes)

Action requested: motion to recommend full Authority approval of the draft SPA as presented (voice vote).

#### 11. FY25 Local Allocation Plan – page 41

(Parsons/5 minutes)

Action requested: motion to recommend full Authority approval of the FY25 Local Allocation Plan (voice vote).

#### 12. FY24 Annual Certifications and Quarterly Reporting – page 44

(Parsons/15 minutes)

Information item: Updated reporting on 4<sup>th</sup> quarter local CVTA expenditures / FY24 total local CVTA expenditures.

#### 13. Fall Line Trail Management

(Parsons/25 minutes)

**Information item: review of management services needs outline.** (will be distributed during meeting)

#### **14. CVTA TAC Member Comments**

(Chair/5 minutes)

#### 15. Next Meeting: September 9, 2024, at 1:00 p.m.

(Chair)

#### 16. Adjournment

(Chair)

The technology used for the CVTA TAC meeting was a web-hosted service created by Zoom and YouTube Live Streaming and was open and accessible for participation by members of the public. A recording of this meeting is available on our <u>Plan RVA YouTube Channel</u>.

Virtual participation of this meeting by members of the committee is authorized under the City of Richmond Res. No. 2020-R025, - declaration of a local emergency due to the potential spread of COVID-19, adopted March 16, 2020. The resolution is available <a href="here">here</a>.

#### 1. Welcome and Introductions

The Central Virginia Transportation Authority (CVTA) Technical Advisory Committee (TAC) Chair, Dironna Moore Clarke, presided and called the CVTA Technical Advisory Committee (TAC) regular meeting to order at 1:03 p.m.

#### 2. Roll Call & Certification of a Quorum

Janice Scott, PlanRVA, took attendance by roll call and certified that a quorum was present.

#### 3. Consideration of Amendments to the Agenda

There were no requested changes to the agenda.

#### 4. Approval of June 10, 2024, CVTA TAC Meeting Minutes

On motion by Nora Amos, seconded by Austin Goyne, the members of the CVTA Technical Advisory Committee voted unanimously to approve the meeting minutes as presented (voice vote).

#### 5. Public Comment Period

There were no requests to address the committee.

#### 6. CVTA TAC Chair's Report

Chair Clarke reported that the City of Richmond will have a groundbreaking ceremony for the Fall Line Trail Bryan Park segment soon. She will share more information once it is available.

#### 7. Election of FY25 CVTA TAC Chair and Vice Chair

On motion by Barbara Smith, seconded by Amy Inman, the members of the CVTA Technical Advisory Committee voted to defer this until the August meeting (voice vote).

#### 8. Fall Line Trail

#### a. Commonwealth of Virginia - Budgeted Fall Line Recommendations

Chet Parsons reviewed a staff report outlining possible recommendations for use of the \$7,500,000 the 2024 Virginia General Assembly dedicated to the Fall Line trail in its final budget

The committee members discussed asking the Finance Committee to explore options to secure CVTA funding for the Wayfinding item because VDOT has indicated the General Assembly funds cannot be used for wayfinding.

On motion by Austin Goyne, seconded by Nora Amos, the members of the CVTA Technical Advisory Committee voted unanimously to recommend Central Virginia Transportation Authority approval of a letter to the Commonwealth Transportation Board outlining the following recommendations for allocation of the \$7.5 million in Fall Line funds from the 2024 Virginia General Assembly: 1. \$4.5M for the Kanawha Plaza (5A-R) project, and; 2. \$3M for the Route 1 (Food Lion – Falling Creek Wayside), UPC 115415 (roll call vote; see below).

| Town of Ashland  |     | Charles City County |     | Chesterfield County         |     |
|------------------|-----|---------------------|-----|-----------------------------|-----|
| Nora Amos        | Aye | Absent              |     | Barbara Smith               | Aye |
| Goochland County |     | Hanover County      |     | Henrico County              |     |
| Austin Goyne     | Aye | Joseph E. Vidunas   | Aye | Sharon Smidler              | Aye |
| New Kent County  |     | Powhatan            |     | City of Richmond            |     |
| Amy Inman        | Aye | Absent              |     | Dironna Moore Clarke, Chair | Aye |

#### b. Wayfinding Plan Recommendations

Mr. Parsons reported that the wayfinding plan is complete. Committee members discussed options for possible recommendations to the full Authority.

On motion by Amy Inman, seconded by Nora Amos, the members of the CVTA Technical Advisory Committee voted unanimously to motion to recommend Central Virginia Transportation Authority approval of Wayfinding Plan (voice vote).

#### c. Fall Line Management

Mr. Parsons presented the white paper on management of the trail. Chair Clarke, Vice Chair Smith and Amy Inman volunteered to work on recommendations for to the Authority.

#### 9. Regional Funding Deallocation Policy

Mr. Parsons provided an overview of the draft policy. Chair Clarke opened a discussion on the various aspects of the policy, the changes that have been incorporated into the draft so far and other changes that might be necessary. There was a consensus that a second document should be drafted to go along with the policy. The new document would be more of a process guide.

The matter will be on the next TAC agenda. Members were asked to compile their suggestions and comments. The revisions suggested at the previous Finance Committee meeting will be incorporated in the draft.

On motion by Sharon Smidler, seconded by Barbara Smith, the members of the CVTA Technical Advisory Committee voted unanimously to defer this item to the August meeting (voice vote).

#### 10. FY25 Local Allocation Plan

Mr. Parsons noted this item is just a reminder that each locality needs to submit their updates for the projects they intend to fund with CVTA dollars in the upcoming fiscal year. Members were asked to have their updates completed a week before the August meeting so that it can be include in the agenda packet.

#### 11. CVTA TAC Member Comments

There were no TAC member comments.

12. Next Meeting: Monday, August 12, 2024, at 1:00 p.m.

#### 13. Adjournment

Chair Clarke adjourned the meeting at 2:33 p.m.

# STANDARD PROJECT ADMINISTRATION AGREEMENT CVTA Regionally Funded Projects

| CVTA Project ID | Project Name                                    | UPC    | Local Government |
|-----------------|---|--------|------------------|
| CVTA-0052       | Route 60, Route 33 and<br>Beulah Rd. Roundabout | 118155 | LOCALITY         |

THIS AGREEMENT is hereby executed and made effective as of the date of the last (latest) signature set forth below, by and between the LOCALITY, VIRGINIA, hereinafter referred to as the LOCALITY and the Central Virginia Transportation Authority, hereinafter referred to as the CVTA. The CVTA and the LOCALITY are collectively referred to as the "Parties."

WHEREAS, the LOCALITY has expressed its desire to administer the work described in Appendix A, and such work for each improvement shown in Appendix A is hereinafter referred to as the "Project;" and

WHEREAS, the funds shown in Appendix A have been allocated to finance the Project; and

WHEREAS, the LOCALITY is committed to the development and delivery of the Project in an expeditious manner; and

WHEREAS, the Parties have concurred in the LOCALITY's administration of the Project as shown in Appendix A in accordance with applicable federal, state, and local laws and regulations.

NOW THEREFORE, in consideration of the mutual premises contained herein, the Parties hereto agree as follows:

1. The representations, covenants and recitations set forth in the foregoing recitals are material to this Agreement and are hereby incorporated into and made a part of this Agreement as though they were fully set forth in this Section 1.

#### 2. The LOCALITY shall:

a. Be responsible for all activities necessary to complete the noted phase(s) of the Project as shown in Appendix A, as expressly required by federal, state, and local laws and regulations, or as otherwise agreed to, in writing, between the Parties. Every phase of the Project will be designed and constructed to meet or exceed current American Association of State Highway and Transportation Officials standards when the facilities are locally maintained and shall further comply with all supplementary standards established by the Virginia Department of Transportation when the facilities

are maintained by the Virginia Department of Transportation.

- b. Maintain accurate and complete records of the Project's development and retain documentation of all expenditures and make such information available for inspection or auditing by the CVTA upon request. Records and documentation for the Project shall be maintained for no less than three (3) years following the CVTA's acceptance of the final voucher on the Project.
- c. Submit quarterly progress and expenditure reports, and invoices with supporting documentation to the CVTA in the form prescribed by the CVTA. The supporting documentation shall include copies of vendor and contractor invoices paid by the LOCALITY, an up-to-date Project summary and schedule, and a cash flow summary of all payment requests, payments, and adjustments in a form prescribed by the CVTA.
- d. Requests for reimbursement shall be made within 90 days after any eligible project expenses are incurred by the LOCALITY. Reimbursement for eligible expenditures shall not exceed funds allocated each year for the Project by the CVTA. Additional funds for eligible expenditures for the Project may be requested and shall be approved on case-by case basis, per paragraph 4 below.
- e. Provide, or have others provide, maintenance of the Project upon completion, unless otherwise agreed to by the Parties. Where the Project results in physical construction, the LOCALITY will continue to operate and maintain the Project, or have others operate and maintain the Project, in accordance with the final constructed design and applicable standards. The LOCALITY agrees that any modification of the approved design features, without the approval of the CVTA or agencies with proper oversight, may, at the discretion of the CVTA, result in restitution either physically or monetarily as determined by the CVTA.

#### 3. The CVTA shall:

- a. Upon receipt of the LOCALITY's invoices pursuant to paragraph 2.c, reimburse the LOCALITY the cost of eligible Project expenses, as described in Appendix A. Such reimbursements shall be payable by the CVTA within 30 days of an acceptable submission by the LOCALITY.
- b. Audit the LOCALITY's Project records and documentation as may be required to verify LOCALITY compliance with applicable policies, laws, and regulations.
- 4. Nothing in this Agreement shall obligate the Parties hereto to expend or provide any funds in excess of funds agreed upon in this Agreement or as shall have been included in an annual or other lawful appropriation. CVTA funding is limited to the allocated funding identified in the Appendix A of this Agreement, or other sources of funding allocated to the project by the CVTA and is allocable only upon LOCALITY's compliance with all requirements of this Agreement. In the event the cost of all or part of the Project is anticipated to exceed the allocation shown on Appendix A, the Parties agree to cooperate in seeking additional funding for the Project or to terminate the Project before Project

costs exceed the allocated amount. Any requested increase in CVTA funding is subject to CVTA policy and procedures applicable to the funding source and is not guaranteed. If the CVTA elects to allocate additional funds, such additional funds shall be paid from federal, state, and/or CVTA revenues, in proportions as agreed by the Parties at the time, with the goal of expending state or federal funds first before expending LOCALITY and/or CVTA revenues.

- 5. In the event there is a significant reduction in costs, the LOCALITY and CVTA will work reasonably and in good faith to amend Appendix A fairly to reflect the effect of the reduction, with the goal of applying the savings to supplant LOCALITY and CVTA funding commitments, and to maximize the use of federal and state funds on the Project. If federal or state funding not previously available for the Project becomes available for any portion of the Project, then the LOCALITY and CVTA will work reasonably and in good faith to fairly allocate the additional funding, with the goal of applying the additional funding to supplant LOCALITY and CVTA funding commitments, and to maximize the use of state and federal funds on the Project.
- 6. Nothing in this Agreement shall be construed as a waiver of the LOCALITY's or CVTA's sovereign immunity.
- 7. The Parties mutually agree and acknowledge, in entering this Agreement, that the individuals acting on behalf of the Parties are acting within the scope of their official authority and capacity and the Parties agree that neither Party will bring a suit or assert a claim against any official, officer, or employee of either Party, in their individual or personal capacity, for a breach or violation of the terms of this Agreement or to otherwise enforce the terms and conditions of this Agreement. The foregoing notwithstanding, nothing in this Agreement shall prevent the enforcement of the terms and conditions of this Agreement by or against either Party in a competent court of law.
- 8. The Parties mutually agree that no provision of this Agreement shall create in the public, or in any person or entity other than the Parties, rights as a third party beneficiary hereunder, or authorize any person or entity, not a party hereto, to maintain any action for, without limitation, personal injury, property damage, breach of contract, or return of money, or property, deposit(s), cancellation or forfeiture of bonds, financial instruments, pursuant to the terms of this Agreement or otherwise. Notwithstanding any other provision of this Agreement to the contrary, unless otherwise provided, the Parties agree that the LOCALITY and the CVTA shall not be bound by any agreements between either Party and other persons or entities concerning any matter which is the subject of this Agreement, unless and until the LOCALITY and the CVTA has, in writing, received a true copy of such agreement(s) and has affirmatively agreed, in writing, to be bound by such Agreement.
- 9. This Agreement may be terminated by either Party upon 30 days advance written notice to the other Party. Eligible Project expenses incurred through the date of termination shall be reimbursed in accordance with paragraph 3.a., subject to the limitations established in this Agreement and Appendix A. Upon termination and unless otherwise agreed to, the CVTA shall retain ownership of plans and specifications. Right-of-way acquired with CVTA funding shall be transferred to the jurisdiction in which the Project is located,

unless otherwise agreed. The LOCALITY may retain plans, specifications, and right-of-way if all CVTA funds expended for the project are reimbursed to the CVTA.

- 10. Prior to taking any action alleging breach of this Agreement, the CVTA shall provide notice to the LOCALITY with a specific description of the LOCALITY's breach of this Agreement. Upon receipt of a notice of breach, the LOCALITY will be provided the opportunity to cure such breach or to provide a plan to cure to the satisfaction to the CVTA. If, within sixty (60) days after receipt of the written notice of breach, the LOCALITY has neither cured the breach, nor is diligently pursuing a cure of the breach, then upon receipt by the LOCALITY of a written notice from the CVTA stating that the breach has neither been cured, nor is the LOCALITY diligently pursuing a cure, the CVTA may exercise any remedies it may have under this Agreement or at law or in equity.
- 11. The LOCALITY and CVTA acknowledge and agree that this Agreement has been prepared jointly by the Parties and shall be construed in accordance with its fair meaning and not strictly for or against any Party.
- 12. This Agreement, when properly executed, shall be binding upon both Parties, their successors, and assigns.
- 13. This Agreement may be modified only in writing by mutual agreement of the Parties.

The remainder of this page is BLANK

IN WITNESS WHEREOF, each party hereto has caused this Agreement to be executed as of the day, month, and year first herein written.

- b. Maintain accurate and complete records of the Project's development and retain documentation of all expenditures and make such information available for inspection or auditing by the CVTA upon request. Records and documentation for the Project shall be maintained for no less than three (3) years following the CVTA's acceptance of the final voucher on the Project.
- c. Submit quarterly progress and expenditure reports, and invoices with supporting documentation to the CVTA in the form prescribed by the CVTA. The supporting documentation shall include copies of vendor and contractor invoices paid by the LOCALITY, an up-to-date Project summary and schedule, and a cash flow summary of all payment requests, payments, and adjustments in a form prescribed by the CVTA.
- d. Requests for reimbursement shall be made within 90 days after any eligible project expenses are incurred by the LOCALITY. Reimbursement for eligible expenditures shall not exceed funds allocated each year for the Project by the CVTA. Additional funds for eligible expenditures for the Project may be requested and shall be approved on case-by case basis, per paragraph 4 below.
- e. Provide, or have others provide, maintenance of the Project upon completion, unless otherwise agreed to by the Parties. Where the Project results in physical construction, the LOCALITY will continue to operate and maintain the Project, or have others operate and maintain the Project, in accordance with the final constructed design and applicable standards. The LOCALITY agrees that any modification of the approved design features, without the approval of the CVTA or agencies with proper oversight, may, at the discretion of the CVTA, result in restitution either physically or monetarily as determined by the CVTA.

#### 3. The CVTA shall:

- a. Upon receipt of the LOCALITY's invoices pursuant to paragraph 2.c, reimburse the LOCALITY the cost of eligible Project expenses, as described in Appendix A. Such reimbursements shall be payable by the CVTA within 30 days of an acceptable submission by the LOCALITY.
- b. Audit the LOCALITY's Project records and documentation as may be required to verify LOCALITY compliance with applicable policies, laws, and regulations.
- 4. Nothing in this Agreement shall obligate the Parties hereto to expend or provide any funds in excess of funds agreed upon in this Agreement or as shall have been included in an annual or other lawful appropriation. CVTA funding is limited to the allocated funding identified in the Appendix A of this Agreement, or other sources of funding allocated to the project by the CVTA and is allocable only upon LOCALITY's compliance with all requirements of this Agreement. In the event the cost of all or part of the Project is anticipated to exceed the allocation shown on Appendix A, the Parties agree to cooperate in seeking additional funding for the Project or to terminate the Project before Project costs exceed the allocated amount. Any requested increase in CVTA funding is subject to CVTA policy and procedures applicable to the funding source and is not guaranteed.

If the CVTA elects to allocate additional funds, such additional funds shall be paid from federal, state, and/or CVTA revenues, in proportions as agreed by the Parties at the time, with the goal of expending state or federal funds first before expending LOCALITY and/or CVTA revenues.

- 5. In the event there is a significant reduction in costs, the LOCALITY and CVTA will work reasonably and in good faith to amend Appendix A fairly to reflect the effect of the reduction, with the goal of applying the savings to supplant LOCALITY and CVTA funding commitments, and to maximize the use of federal and state funds on the Project. If federal or state funding not previously available for the Project becomes available for any portion of the Project, then the LOCALITY and CVTA will work reasonably and in good faith to fairly allocate the additional funding, with the goal of applying the additional funding to supplant LOCALITY and CVTA funding commitments, and to maximize the use of state and federal funds on the Project.
- 6. Nothing in this Agreement shall be construed as a waiver of the LOCALITY's or CVTA's sovereign immunity.
- 7. The Parties mutually agree and acknowledge, in entering this Agreement, that the individuals acting on behalf of the Parties are acting within the scope of their official authority and capacity and the Parties agree that neither Party will bring a suit or assert a claim against any official, officer, or employee of either Party, in their individual or personal capacity, for a breach or violation of the terms of this Agreement or to otherwise enforce the terms and conditions of this Agreement. The foregoing notwithstanding, nothing in this Agreement shall prevent the enforcement of the terms and conditions of this Agreement by or against either Party in a competent court of law.
- 8. The Parties mutually agree that no provision of this Agreement shall create in the public, or in any person or entity other than the Parties, rights as a third party beneficiary hereunder, or authorize any person or entity, not a party hereto, to maintain any action for, without limitation, personal injury, property damage, breach of contract, or return of money, or property, deposit(s), cancellation or forfeiture of bonds, financial instruments, pursuant to the terms of this Agreement or otherwise. Notwithstanding any other provision of this Agreement to the contrary, unless otherwise provided, the Parties agree that the LOCALITY and the CVTA shall not be bound by any agreements between either Party and other persons or entities concerning any matter which is the subject of this Agreement, unless and until the LOCALITY and the CVTA has, in writing, received a true copy of such agreement(s) and has affirmatively agreed, in writing, to be bound by such Agreement.
- 9. This Agreement may be terminated by either Party upon 30 days advance written notice to the other Party. Eligible Project expenses incurred through the date of termination shall be reimbursed in accordance with paragraph 3.a., subject to the limitations established in this Agreement and Appendix A. Upon termination and unless otherwise agreed to, the CVTA shall retain ownership of plans and specifications. Right-of-way acquired with CVTA funding shall be transferred to the jurisdiction in which the Project is located, unless otherwise agreed. The LOCALITY may retain plans, specifications, and right-of-way if all CVTA funds expended for the project are reimbursed to the CVTA.

- 10. Prior to taking any action alleging breach of this Agreement, the CVTA shall provide notice to the LOCALITY with a specific description of the LOCALITY's breach of this Agreement. Upon receipt of a notice of breach, the LOCALITY will be provided the opportunity to cure such breach or to provide a plan to cure to the satisfaction to the CVTA. If, within sixty (60) days after receipt of the written notice of breach, the LOCALITY has neither cured the breach, nor is diligently pursuing a cure of the breach, then upon receipt by the LOCALITY of a written notice from the CVTA stating that the breach has neither been cured, nor is the LOCALITY diligently pursuing a cure, the CVTA may exercise any remedies it may have under this Agreement or at law or in equity.
- 11. The LOCALITY and CVTA acknowledge and agree that this Agreement has been prepared jointly by the Parties and shall be construed in accordance with its fair meaning and not strictly for or against any Party.
- 12. This Agreement, when properly executed, shall be binding upon both Parties, their successors, and assigns.
- 13. This Agreement may be modified only in writing by mutual agreement of the Parties.

# STANDARD PROJECT ADMINISTRATION AGREEMENT CVTA Regionally Funded Projects

| CVTA Project ID | Project Name                | UPC    | Local Government |
|-----------------|-----------------------------|--------|------------------|
| CVTA-0031       | Hull St Phase II<br>(US360) | 121391 | CITY OF RICHMOND |

THIS AGREEMENT is hereby executed and made effective as of the date of the last (latest) signature set forth below, by and between the CITY OF RICHMOND, VIRGINIA, hereinafter referred to as the LOCALITY and the Central Virginia Transportation Authority, hereinafter referred to as the CVTA. The CVTA and the LOCALITY are collectively referred to as the "Parties."

WHEREAS, the LOCALITY has expressed its desire to administer the work described in Appendix A, and such work for each improvement shown in Appendix A is hereinafter referred to as the "Project;" and

WHEREAS, the funds shown in Appendix A have been allocated to finance the Project; and

WHEREAS, the LOCALITY is committed to the development and delivery of the Project in an expeditious manner; and

WHEREAS, the Parties have concurred in the LOCALITY's administration of the Project as shown in Appendix A in accordance with applicable federal, state, and local laws and regulations.

NOW THEREFORE, in consideration of the mutual premises contained herein, the Parties hereto agree as follows:

1. The representations, covenants and recitations set forth in the foregoing recitals are material to this Agreement and are hereby incorporated into and made a part of this Agreement as though they were fully set forth in this Section 1.

#### 2. The LOCALITY shall:

- a. Be responsible for all activities necessary to complete the noted phase(s) of the Project as shown in Appendix A, as expressly required by federal, state, and local laws and regulations, or as otherwise agreed to, in writing, between the Parties. Every phase of the Project will be designed and constructed to meet or exceed current American Association of State Highway and Transportation Officials standards when the facilities are locally maintained and shall further comply with all supplementary standards established by the Virginia Department of Transportation when the facilities are maintained by the Virginia Department of Transportation.
- b. Maintain accurate and complete records of the Project's development and retain documentation of all expenditures and make such information available for inspection or auditing by the CVTA upon request. Records and documentation for the Project

- shall be maintained for no less than three (3) years following the CVTA's acceptance of the final voucher on the Project.
- c. Submit quarterly progress and expenditure reports, and invoices with supporting documentation to the CVTA in the form prescribed by the CVTA. The supporting documentation shall include copies of vendor and contractor invoices paid by the LOCALITY, an up-to-date Project summary and schedule, and a cash flow summary of all payment requests, payments, and adjustments in a form prescribed by the CVTA.
- d. Requests for reimbursement shall be made within 90 days after any eligible project expenses are incurred by the LOCALITY. Reimbursement for eligible expenditures shall not exceed funds allocated each year for the Project by the CVTA. Additional funds for eligible expenditures for the Project may be requested and shall be approved on case-by case basis, per paragraph 4 below.
- e. Provide, or have others provide, maintenance of the Project upon completion, unless otherwise agreed to by the Parties. Where the Project results in physical construction, the LOCALITY will continue to operate and maintain the Project, or have others operate and maintain the Project, in accordance with the final constructed design and applicable standards. The LOCALITY agrees that any modification of the approved design features, without the approval of the CVTA or agencies with proper oversight, may, at the discretion of the CVTA, result in restitution either physically or monetarily as determined by the CVTA.

#### 3. The CVTA shall:

- a. Upon receipt of the LOCALITY's invoices pursuant to paragraph 2.c, reimburse the LOCALITY the cost of eligible Project expenses, as described in Appendix A. Such reimbursements shall be payable by the CVTA within 30 days of an acceptable submission by the LOCALITY.
- b. Audit the LOCALITY's Project records and documentation as may be required to verify LOCALITY compliance with applicable policies, laws, and regulations.
- 4. Nothing in this Agreement shall obligate the Parties hereto to expend or provide any funds in excess of funds agreed upon in this Agreement or as shall have been included in an annual or other lawful appropriation. CVTA funding is limited to the allocated funding identified in the Appendix A of this Agreement, or other sources of funding allocated to the project by the CVTA and is allocable only upon LOCALITY's compliance with all requirements of this Agreement. In the event the cost of all or part of the Project is anticipated to exceed the allocation shown on Appendix A, the Parties agree to cooperate in seeking additional funding for the Project or to terminate the Project before Project costs exceed the allocated amount. Any requested increase in CVTA funding is subject to CVTA policy and procedures applicable to the funding source and is not guaranteed. If the CVTA elects to allocate additional funds, such additional funds shall be paid from federal, state, and/or CVTA revenues, in proportions as agreed by the Parties at the time, with the goal of expending state or federal funds first before expending LOCALITY and/or CVTA revenues.

- 5. In the event there is a significant reduction in costs, the LOCALITY and CVTA will work reasonably and in good faith to amend Appendix A fairly to reflect the effect of the reduction, with the goal of applying the savings to supplant LOCALITY and CVTA funding commitments, and to maximize the use of federal and state funds on the Project. If federal or state funding not previously available for the Project becomes available for any portion of the Project, then the LOCALITY and CVTA will work reasonably and in good faith to fairly allocate the additional funding, with the goal of applying the additional funding to supplant LOCALITY and CVTA funding commitments, and to maximize the use of state and federal funds on the Project.
- 6. Nothing in this Agreement shall be construed as a waiver of the LOCALITY's or CVTA's sovereign immunity.
- 7. The Parties mutually agree and acknowledge, in entering this Agreement, that the individuals acting on behalf of the Parties are acting within the scope of their official authority and capacity and the Parties agree that neither Party will bring a suit or assert a claim against any official, officer, or employee of either Party, in their individual or personal capacity, for a breach or violation of the terms of this Agreement or to otherwise enforce the terms and conditions of this Agreement. The foregoing notwithstanding, nothing in this Agreement shall prevent the enforcement of the terms and conditions of this Agreement by or against either Party in a competent court of law.
- 8. The Parties mutually agree that no provision of this Agreement shall create in the public, or in any person or entity other than the Parties, rights as a third party beneficiary hereunder, or authorize any person or entity, not a party hereto, to maintain any action for, without limitation, personal injury, property damage, breach of contract, or return of money, or property, deposit(s), cancellation or forfeiture of bonds, financial instruments, pursuant to the terms of this Agreement or otherwise. Notwithstanding any other provision of this Agreement to the contrary, unless otherwise provided, the Parties agree that the LOCALITY and the CVTA shall not be bound by any agreements between either Party and other persons or entities concerning any matter which is the subject of this Agreement, unless and until the LOCALITY and the CVTA has, in writing, received a true copy of such agreement(s) and has affirmatively agreed, in writing, to be bound by such Agreement.
- 9. This Agreement may be terminated by either Party upon 30 days advance written notice to the other Party. Eligible Project expenses incurred through the date of termination shallbe reimbursed in accordance with paragraph 3.a., subject to the limitations established in this Agreement and Appendix A. Upon termination and unless otherwise agreed to, the CVTA shall retain ownership of plans and specifications. Right-of-way acquired with CVTA funding shall be transferred to the jurisdiction in which the Project is located, unless otherwise agreed. The LOCALITY may retain plans, specifications, and right-of-way if all CVTA funds expended for the project are reimbursed to the CVTA.
- 10. Prior to taking any action alleging breach of this Agreement, the CVTA shall provide notice to the LOCALITY with a specific description of the LOCALITY's breach of this Agreement. Upon receipt of a notice of breach, the LOCALITY will be provided the

opportunity to cure such breach or to provide a plan to cure to the satisfaction to the CVTA. If, within sixty (60) days after receipt of the written notice of breach, the LOCALITY has neither cured the breach, nor is diligently pursuing a cure of the breach, then upon receipt by the LOCALITY of a written notice from the CVTA stating that the breach has neither been cured, nor is the LOCALITY diligently pursuing a cure, the CVTA may exercise any remedies it may have under this Agreement or at law or in equity.

- 11. The LOCALITY and CVTA acknowledge and agree that this Agreement has been prepared jointly by the Parties and shall be construed in accordance with its fair meaning and not strictly for or against any Party.
- 12. This Agreement, when properly executed, shall be binding upon both Parties, their successors, and assigns.
- 13. This Agreement may be modified only in writing by mutual agreement of the Parties.

THIS AGREEMENT is hereby executed and made effective as of the date of the last (latest) signature set forth below, by and between the CITY OF RICHMOND, VIRGINIA, hereinafter referred to as the LOCALITY and the Central Virginia Transportation Authority, hereinafter referred to as the CVTA. The CVTA and the LOCALITY are collectively referred to as the "Parties."

WHEREAS, the LOCALITY has expressed its desire to administer the work described in Appendix A, and such work for each improvement shown in Appendix A is hereinafter referred to as the "Project;" and

WHEREAS, the funds shown in Appendix A have been allocated to finance the Project; and

WHEREAS, the LOCALITY is committed to the development and delivery of the Project in an expeditious manner; and

WHEREAS, the Parties have concurred in the LOCALITY's administration of the Project as shown in Appendix A in accordance with applicable federal, state, and local laws and regulations.

NOW THEREFORE, in consideration of the mutual premises contained herein, the Parties hereto agree as follows:

1. The representations, covenants and recitations set forth in the foregoing recitals are material to this Agreement and are hereby incorporated into and made a part of this Agreement as though they were fully set forth in this Section 1.

#### 2. The LOCALITY shall:

- a. Be responsible for all activities necessary to complete the noted phase(s) of the Project as shown in Appendix A, as expressly required by federal, state, and local laws and regulations, or as otherwise agreed to, in writing, between the Parties. Every phase of the Project will be designed and constructed to meet or exceed current American Association of State Highway and Transportation Officials standards when the facilities are locally maintained and shall further comply with all supplementary standards established by the Virginia Department of Transportation when the facilities are maintained by the Virginia Department of Transportation.
- b. Maintain accurate and complete records of the Project's development and retain documentation of all expenditures and make such information available for inspection or auditing by the CVTA upon request. Records and documentation for the Project

shall be maintained for no less than three (3) years following the CVTA's acceptance of the final voucher on the Project.

- c. Submit quarterly progress and expenditure reports, and invoices with supporting documentation to the CVTA in the form prescribed by the CVTA. The supporting documentation shall include copies of vendor and contractor invoices paid by the LOCALITY, an up-to-date Project summary and schedule, and a cash flow summary of all payment requests, payments, and adjustments in a form prescribed by the CVTA.
- d. Requests for reimbursement shall be made within 90 days after any eligible project expenses are incurred by the LOCALITY. Reimbursement for eligible expenditures shall not exceed funds allocated each year for the Project by the CVTA. Additional funds for eligible expenditures for the Project may be requested and shall be approved on case-by case basis, per paragraph 4 below.
- e. Provide, or have others provide, maintenance of the Project upon completion, unless otherwise agreed to by the Parties. Where the Project results in physical construction, the LOCALITY will continue to operate and maintain the Project, or have others operate and maintain the Project, in accordance with the final constructed design and applicable standards. The LOCALITY agrees that any modification of the approved design features, without the approval of the CVTA or agencies with proper oversight, may, at the discretion of the CVTA, result in restitution either physically or monetarily as determined by the CVTA.

#### 3. The CVTA shall:

- a. Upon receipt of the LOCALITY's invoices pursuant to paragraph 2.c, reimburse the LOCALITY the cost of eligible Project expenses, as described in Appendix A. Such reimbursements shall be payable by the CVTA within 30 days of an acceptable submission by the LOCALITY.
- b. Audit the LOCALITY's Project records and documentation as may be required to verify LOCALITY compliance with applicable policies, laws, and regulations.
- 4. Nothing in this Agreement shall obligate the Parties hereto to expend or provide any funds in excess of funds agreed upon in this Agreement or as shall have been included in an annual or other lawful appropriation. CVTA funding is limited to the allocated funding identified in the Appendix A of this Agreement, or other sources of funding allocated to the project by the CVTA and is allocable only upon LOCALITY's compliance with all requirements of this Agreement. In the event the cost of all or part of the Project is anticipated to exceed the allocation shown on Appendix A, the Parties agree to cooperate in seeking additional funding for the Project or to terminate the Project before Project costs exceed the allocated amount. Any requested increase in CVTA funding is subject to CVTA policy and procedures applicable to the funding source and is not guaranteed. If the CVTA elects to allocate additional funds, such additional funds shall be paid from federal, state, and/or CVTA revenues, in proportions as agreed by the Parties at the time, with the goal of expending state or federal funds first before expending LOCALITY and/or CVTA revenues.

- 5. In the event there is a significant reduction in costs, the LOCALITY and CVTA will work reasonably and in good faith to amend Appendix A fairly to reflect the effect of the reduction, with the goal of applying the savings to supplant LOCALITY and CVTA funding commitments, and to maximize the use of federal and state funds on the Project. If federal or state funding not previously available for the Project becomes available for any portion of the Project, then the LOCALITY and CVTA will work reasonably and in good faith to fairly allocate the additional funding, with the goal of applying the additional funding to supplant LOCALITY and CVTA funding commitments, and to maximize the use of state and federal funds on the Project.
- 6. Nothing in this Agreement shall be construed as a waiver of the LOCALITY's or CVTA's sovereign immunity.
- 7. The Parties mutually agree and acknowledge, in entering this Agreement, that the individuals acting on behalf of the Parties are acting within the scope of their official authority and capacity and the Parties agree that neither Party will bring a suit or assert a claim against any official, officer, or employee of either Party, in their individual or personal capacity, for a breach or violation of the terms of this Agreement or to otherwise enforce the terms and conditions of this Agreement. The foregoing notwithstanding, nothing in this Agreement shall prevent the enforcement of the terms and conditions of this Agreement by or against either Party in a competent court of law.
- 8. The Parties mutually agree that no provision of this Agreement shall create in the public, or in any person or entity other than the Parties, rights as a third party beneficiary hereunder, or authorize any person or entity, not a party hereto, to maintain any action for, without limitation, personal injury, property damage, breach of contract, or return of money, or property, deposit(s), cancellation or forfeiture of bonds, financial instruments, pursuant to the terms of this Agreement or otherwise. Notwithstanding any other provision of this Agreement to the contrary, unless otherwise provided, the Parties agree that the LOCALITY and the CVTA shall not be bound by any agreements between either Party and other persons or entities concerning any matter which is the subject of this Agreement, unless and until the LOCALITY and the CVTA has, in writing, received a true copy of such agreement(s) and has affirmatively agreed, in writing, to be bound by such Agreement.
- 9. This Agreement may be terminated by either Party upon 30 days advance written notice to the other Party. Eligible Project expenses incurred through the date of termination shall be reimbursed in accordance with paragraph 3.a., subject to the limitations established in this Agreement and Appendix A. Upon termination and unless otherwise agreed to, the CVTA shall retain ownership of plans and specifications. Right-of-way acquired with CVTA funding shall be transferred to the jurisdiction in which the Project is located, unless otherwise agreed. The LOCALITY may retain plans, specifications, and right-of-way if all CVTA funds expended for the project are reimbursed to the CVTA.
- 10. Prior to taking any action alleging breach of this Agreement, the CVTA shall provide notice to the LOCALITY with a specific description of the LOCALITY's breach of this Agreement. Upon receipt of a notice of breach, the LOCALITY will be provided the

opportunity to cure such breach or to provide a plan to cure to the satisfaction to the CVTA. If, within sixty (60) days after receipt of the written notice of breach, the LOCALITY has neither cured the breach, nor is diligently pursuing a cure of the breach, then upon receipt by the LOCALITY of a written notice from the CVTA stating that the breach has neither been cured, nor is the LOCALITY diligently pursuing a cure, the CVTA may exercise any remedies it may have under this Agreement or at law or in equity.

- 11. The LOCALITY and CVTA acknowledge and agree that this Agreement has been prepared jointly by the Parties and shall be construed in accordance with its fair meaning and not strictly for or against any Party.
- 12. This Agreement, when properly executed, shall be binding upon both Parties, their successors, and assigns.
- 13. This Agreement may be modified only in writing by mutual agreement of the Parties.

The remainder of this page is BLANK

IN WITNESS WHEREOF, each party hereto has caused this Agreement to be executed as of the day, month, and year first herein written.

| CVTA-0001       | Fall Line Trail DB#2 | 121511 | VDOT       |

THIS AGREEMENT is hereby executed and made effective as of the date of the last (latest) signature set forth below, by and between the Virginia Department of Transportation, hereinafter referred to as "VDOT" and the Central Virginia Transportation Authority, hereinafter referred to as the "CVTA." The CVTA and VDOT are collectively referred to as the "Parties."

WHEREAS, VDOT has expressed its willingness to administer the work described in Appendix A, and such work for each improvement shown in Appendix A is hereinafter referred to as the "Project"; and

WHEREAS, the funds shown in Appendix A have been allocated to finance the Project; and

WHEREAS, VDOT is committed to the development and delivery of the Project in an expeditious manner; and

WHEREAS, the Parties have concurred in VDOT's administration of the Project as shown in Appendix A in accordance with applicable federal, state, and local laws and regulations.

NOW THEREFORE, in consideration of the mutual premises contained herein, the Parties hereto agree as follows:

1. The representations, covenants and recitations set forth in the foregoing recitals are material to this Agreement and are hereby incorporated into and made a part of this Agreement as though they were fully set forth in this Section 1.

#### 2. VDOT shall:

- a. Be responsible for all activities necessary to complete the noted phase(s) of the Project as shown in Appendix A, as expressly required by federal, state, and local laws and regulations, or as otherwise agreed to, in writing, between the Parties. Unless otherwise agreed to by the Parties, every phase of the Project will be designed and constructed in accordance with all standards typically utilized or established by VDOT for such facility.
- b. Maintain accurate and complete records of the Project's development and retain documentation of all expenditures and make such information available for inspection

- or auditing by the CVTA upon request. Records and documentation for the Project shall be maintained for no less than three (3) years following the CVTA's acceptance of the final voucher on the Project.
- c. Submit quarterly progress and expenditure reports and invoices with supporting documentation to the CVTA in the form prescribed by the CVTA. The supporting documentation shall include copies of vendor and contractor invoices paid by VDOT, an up-to-date Project summary and schedule, and a cash flow summary of all payment requests, payments, and adjustments in a form prescribed by the CVTA. Additional information and reports, including but not limited to plans and right of way reports, shall be provided by VDOT as otherwise requested.
- d. Requests for reimbursement shall be made within 90 days after any eligible project expenses are incurred by VDOT. Reimbursement for eligible expenditures shall not exceed funds allocated each year for the Project by the CVTA. Additional funds for eligible expenditures for the Project may be requested and shall be approved on case-by case basis, per paragraph 4 below.
- e. Provide, or have others provide, maintenance of the Project upon completion, unless otherwise agreed to by the Parties. Where the Project results in physical construction, VDOT will continue to operate and maintain the Project, or have others operate and maintain the Project, or take measures necessary to ensure the locality having final jurisdiction over the Project assumes operation and maintenance of the Project, in accordance with the final constructed design and applicable standards. VDOT agrees that any modification of the approved design features, without the approval of the CVTA or agencies with proper oversight, may, at the discretion of the CVTA, result in restitution either physically or monetarily as determined by the CVTA.

#### 3. The CVTA shall:

- a. Upon receipt of VDOT's invoices pursuant to paragraph 2.c, reimburse VDOT the cost of eligible Project expenses, as described in Appendix A. Such reimbursements shall be payable by the CVTA within 30 days of an acceptable submission by VDOT.
- b. Audit VDOT's Project records and documentation as may be required to verify VDOT's compliance with applicable policies, laws, and regulations.
- 4. Nothing in this Agreement shall obligate the Parties hereto to expend or provide any funds in excess of funds agreed upon in this Agreement or as shall have been included in an annual or other lawful appropriation. CVTA funding is limited by fiscal year to the allocated funding identified in the Appendix A of this Agreement, or other sources of funding allocated to the project by the CVTA, and CVTA funding is allocable only upon VDOT's compliance with all requirements of this Agreement. In the event the cost of all or part of the Project is anticipated to exceed the allocation shown on Appendix A, the Parties agree to cooperate in seeking additional funding for the Project or to terminate the Project before Project costs exceed the allocated amount. Any requested increase in CVTA funding is subject to CVTA policy and procedures applicable to the funding source and is not guaranteed. If the CVTA elects to allocate additional funds, additional funds shall be

paid from federal, state, local or CVTA revenues, in proportions as agreed by the Parties at the time, with the goals of expending state or federal funds first before expending LOCALITY and/or CVTA revenues and using all funding to expedite delivery and completion of the Project.

- 5. In the event there is a significant reduction in Project costs, VDOT and the CVTA will work reasonably and in good faith to amend Appendix A fairly to reflect the effect of the reduction, with the goals of applying the savings to maximize the use of federal and state funds on the Project and using all funding to expedite delivery and completion of the Project.
- 6. If federal or state funding not previously available for the Project becomes available for any portion of the Project, then VDOT and the CVTA will work reasonably and in good faith to fairly allocate the additional funding, with the goals of applying the additional funding to maximize the use of state and federal funds on the Project and using all funding to expedite delivery and completion of the Project.
- 7. The Parties mutually agree and acknowledge, in entering this Agreement, that the individuals acting on behalf of the Parties are acting within the scope of their official authority and capacity and the Parties agree that neither Party will bring a suit or assert a claim against any official, officer, or employee of either Party, in their individual or personal capacity, for a breach or violation of the terms of this Agreement or to otherwise enforce the terms and conditions of this Agreement. The foregoing notwithstanding, nothing in this Agreement shall prevent the enforcement of the terms and conditions of this Agreement by or against either Party in a competent court of law.
- 8. The Parties mutually agree that no provision of this Agreement shall create in the public, or in any person or entity other than the Parties, rights as a third party beneficiary hereunder, or authorize any person or entity, not a party hereto, to maintain any action for, without limitation, personal injury, property damage, breach of contract, return of money, property, or deposit(s), or cancellation or forfeiture of bonds or other financial instruments, pursuant to the terms of this Agreement or otherwise. Notwithstanding any other provision of this Agreement to the contrary, the Parties agree that VDOT and the CVTA shall not be bound by any agreements between either Party and other persons or entities concerning any matter which is the subject of this Agreement, unless and until the Party to be bound has, in writing, received a true copy of such agreement(s) and has affirmatively agreed, in writing, to be bound by such Agreement.
- 9. This Agreement may be terminated by either Party upon 30 days' advance written notice to the other Party. Eligible Project expenses incurred through the date of termination shall be reimbursed in accordance with paragraph 3.a., subject to the limitations established in this Agreement and Appendix A. Upon termination and unless otherwise agreed to, the CVTA shall retain ownership of plans and specifications. Right-of-way acquired with CVTA funding shall be transferred to VDOT or the locality that would otherwise by law have jurisdiction or control over the facility, unless otherwise agreed. VDOT may retain plans, specifications, and right-of-way if all CVTA funds expended for the project are reimbursed to the CVTA and will work with any locality that would otherwise have and that will assume jurisdiction and control over the facility to ensure said locality receives a copy of

- plans and specifications and, as mutually agreed, is conveyed the subject right of way.
- 10. Prior to taking any action alleging breach of this Agreement, the CVTA shall provide notice to VDOT with a specific description of the VDOT's breach of this Agreement. Upon receipt of a notice of breach, VDOT will be provided the opportunity to cure such breach or to provide a plan to cure to the satisfaction to the CVTA. If, within sixty (60) days after receipt of the written notice of breach, VDOT has neither cured the breach, nor is diligently pursuing a cure of the breach, then upon receipt by VDOT of a written notice from the CVTA stating that the breach has neither been cured, nor is VDOT diligently pursuing a cure, the CVTA may exercise any remedies it may have under this Agreement or at law or in equity.
- 11. VDOT and the CVTA acknowledge and agree that this Agreement has been prepared jointly by the Parties and shall be construed in accordance with its fair meaning and not strictly for or against any Party.
- 12. VDOT and the CVTA agree that the appendices attached hereto set forth the minimum information and requirements for their intended purposes and may be modified as to form and with additional information and requirements as mutually agreed.
- 13. Nothing in this Agreement shall be construed as a waiver of the VDOT's or the CVTA's sovereign immunity.
- 14. This Agreement, when properly executed, shall be binding upon both Parties, their successors, and assigns.
- 15. This Agreement may be modified only in writing by mutual agreement of the Parties.
