#### **Call to Order**

The Central Virginia Transportation Authority (CVTA) Chairman, Kevin P. Carroll, presided and called the February 24, 2023, Central Virginia Transportation Authority meeting to order at 9:00 a.m.

#### Pledge of Allegiance

The Pledge of Allegiance was led by Chairman Carroll.

#### **Welcome and Introductions**

Chair Carroll welcomed all attendees and noted that the certification of a quorum and any matters requiring votes would be held later in the meeting to allow time for other members to arrive at the meeting.

#### A. ADMINISTRATION

#### **CVTA Chairman's Report**

Chair Carroll reported that a firm has been selected and is currently engaged in the CVTA Executive Director search.

Patricia Paige shared comments on recent traffic issues on I-64 in New Kent and invited all authority members to visit Colonial Downs.

The Chairman opened a discussion on the CVTA meeting time and asked members to let him know if they prefer 8:30 or 9:00 a.m.

Neil Spoonhower thanked Chairman Carroll for his recent visit and presentation to the Goochland County Rotary Club.

#### **Open Public Comment Period**

There were no citizens present in-person or virtually wishing to offer public comments.

#### **B. COMMITTEE REPORTS**

#### 1. CVTA Finance Committee Update

#### a. CVTA Finance Committee Chairman's Report

W. Canova Peterson, Finance Committee Chair, reported that the committee met on February 8<sup>th</sup>. He noted that project eligibility, bonding and debt service were among the topics.

#### b. Financial Activities and Investment Reports

Chet Parsons, PlanRVA, provided this report and offered to answer any questions.

Michael Jones arrived at 9:15 a.m. and was welcomed as the City of Richmond alternate representative.

#### Certification of a Quorum

Janice Firestone, Program Manager, took attendance by roll call and certified that a quorum was present.

#### **Consideration of Amendments to the Meeting Agenda**

Chairman Carroll noted that Senator Jennifer McClellan was elected to Congress. The agenda will be amended to add the drafting of two letters, one to thank her for her service on the CVTA and another to the Senate requesting a new member be appointed to the CVTA. Authority members approved the agenda as amended by acclamation.

#### Approval of December 8, 2022, CVTA Meeting Minutes

On motion by W. Canova Peterson, seconded by Frank Thornton, the Authority voted to approve the meeting minutes as presented (voice vote; John Hodges abstained).

#### 2. CVTA Technical Advisory Committee (TAC) Update

#### a. CVTA TAC Committee Chairman's Report

Dironna Moore Clarke, CVTA TAC Chair, reviewed the items heard by the committee and the Fall Line Working Group at the most recent meetings.

- The second quarter expenditures for FY23 are due.
- The SPA agreement for the localities administering their Fall Line Trail projects was discussed (and is on the agenda for authority approval today).
- Management of pledged leveraging funds and potential special considerations for eligibility were discussed. A priority projects category in the Allocation Framework document is expected to be brought to the Authority for approval.

Authority members offered recognition for the work done by the TAC members.

#### b. Smart Scale Recommendations Review (focus on CVTA leveraging impacts)

Mr. Parsons provided this report and offered to answer any questions. He reviewed the summary of the projects that were submitted to SmartScale. He provided a review of the results and explained the additional leveraging amounts that would have been needed in order for the project to have been approved for SmartScale. This is an ongoing effort that will ultimately be used to improve applications and better determine leveraging amounts for future SmartScale rounds.

Authority members discussed the amounts submitted and the changes in project cost estimates. It was noted that PFM has been asked to look into this and provide recommendations to the Authority. Dale Totten, VDOT, reported that the VDOT estimates have been a frequent topic of discussion. He explained the statewide approach that is continually monitored and adjusted as necessary.

#### c. CVTA/Locality SPA Update

Eric Gregory, legal counsel, provided this report and offered to answer any questions. He noted the CVTA has an agreement with VDOT for the projects that will be administered by VDOT. This agreement is primarily for Richmond, Henrico and Chesterfield because those localities will be administering their own Fall Line Trail projects. Once approved as to form, it will be circulated to the other localities for legal counsel review as well.

The provisions for ongoing maintenance were discussed. CVTA funds can be approved for use in ongoing maintenance of projects. Ms. Clarke noted that the agreement is intended to be for the 35% of regional funding. It may be advantageous for the CVTA to enact a maintenance agreement in the future to handle how Fall Line Trail projects will be maintained.

On motion by Frank J. Thornton, seconded by W. Canova Peterson, the Authority members voted to approve the agreement as to form (voice vote).

#### C. OTHER BUSINESS

 Letter of Appreciation to Jennifer McClellan and letter to Senate of Virginia Regarding Senate Representative on the CVTA and (added to agenda) Mr. Gregory noted that the letter to the Senate should be sent to the Chairman of the Senate Rules Committee.

On motion by Neil Spoonhower, seconded by John H. Hodges, the Authority members voted to approve the letters and authorize staff to draft them for the Chair's signature (voice vote).

#### 2. CVTA Member Comments

Chair Carroll commented on his recent presentation to the Richmond City Council.

There were no other member comments.

#### D. ADJOURNMENT

Chair Carroll adjourned the meeting at approximately 10:05 a.m.

## **JANUARY 2023**

This investment report for January 2023 is presented in accordance with the Investment Policy of the Treasurer of Chesterfield County, Virginia. The objective of the policy is to obtain the highest possible yield on available financial assets, consistent with constraints imposed by safety objectives, cash flow considerations and the laws of the Commonwealth of Virginia that restrict the placement of public funds. All investments held are in compliance with this policy.

## **Cumulative Interest Earnings FY2023**

Interest earnings through January reflect sharp increases in yields. Cash flow projections provided by the financial advisory committee allow for investments up to one year, while the balance of the portfolio remains in pooled funds. As new funds are received and maturities occur, funds will be invested as cash flow projections allow.

## **Benchmark Comparisons**

The 91-Day Treasury Bill, 6-Month Treasury Bill and the Virginia Treasury Prime Liquidity are used as benchmarks for Central Virginia Transit Authority's (CVTA) portfolio performance. The portfolio outperformed one of the benchmarks for the month of January. Inflation continues to drive short term yields higher.

## STANDARD PROJECT ADMINISTRATION AGREEMENT CVTA Regionally Funded Projects

CVTA Project ID	Project Name	UPC	Local Government
			LOCALITY

THIS AGREEMENT is hereby executed and made effective as of the date of the last (latest) signature set forth below, by and between the LOCALITY, VIRGINIA, hereinafter referred to as the LOCALITY and the Central Virginia Transportation Authority, hereinafter referred to as the CVTA. The CVTA and the LOCALITY are collectively referred to as the "Parties."

WHEREAS, the LOCALITY has expressed its desire to administer the work described in Appendix A, and such work for each improvement shown in Appendix A is hereinafter referred to as the "Project;" and

WHEREAS, the funds shown in Appendix A have been allocated to finance the Project; and

WHEREAS, the LOCALITY is committed to the development and delivery of the Project in an expeditious manner; and

WHEREAS, the Parties have concurred in the LOCALITY's administration of the Project as shown in Appendix A in accordance with applicable federal, state, and local laws and regulations.

NOW THEREFORE, in consideration of the mutual premises contained herein, the Parties hereto agree as follows:

1. The representations, covenants and recitations set forth in the foregoing recitals are material to this Agreement and are hereby incorporated into and made a part of this Agreement as though they were fully set forth in this Section 1.

#### 2. The LOCALITY shall:

- a. Be responsible for all activities necessary to complete the noted phase(s) of the Project as shown in Appendix A, as expressly required by federal, state, and local laws and regulations, or as otherwise agreed to, in writing, between the Parties. Every phase of the Project will be designed and constructed to meet or exceed current American Association of State Highway and Transportation Officials standards when the facilities are locally maintained and shall further comply with all supplementary standards established by the Virginia Department of Transportation when the facilities are maintained by the Virginia Department of Transportation.
- b. Maintain accurate and complete records of the Project's development and retain documentation of all expenditures and make such information available for inspection or auditing by the CVTA upon request. Records and documentation for the Project

Locality: LOCALITY

shall be maintained for no less than three (3) years following the CVTA's acceptance of the final voucher on the Project.

- c. Submit quarterly progress and expenditure reports, and invoices with supporting documentation to the CVTA in the form prescribed by the CVTA. The supporting documentation shall include copies of vendor and contractor invoices paid by the LOCALITY, an up-to-date Project summary and schedule, and a cash flow summary of all payment requests, payments, and adjustments in a form prescribed by the CVTA.
- d. Requests for reimbursement shall be made within 90 days after any eligible project expenses are incurred by the LOCALITY. Reimbursement for eligible expenditures shall not exceed funds allocated each year for the Project by the CVTA. Additional funds for eligible expenditures for the Project may be requested and shall be approved on case-by case basis, per paragraph 4 below.
- e. Provide, or have others provide, maintenance of the Project upon completion, unless otherwise agreed to by the Parties. Where the Project results in physical construction, the LOCALITY will continue to operate and maintain the Project, or have others operate and maintain the Project, in accordance with the final constructed design and applicable standards. The LOCALITY agrees that any modification of the approved design features, without the approval of the CVTA or agencies with proper oversight, may, at the discretion of the CVTA, result in restitution either physically or monetarily as determined by the CVTA.

#### 3. The CVTA shall:

- a. Upon receipt of the LOCALITY's invoices pursuant to paragraph 2.c, reimburse the LOCALITY the cost of eligible Project expenses, as described in Appendix A. Such reimbursements shall be payable by the CVTA within 30 days of an acceptable submission by the LOCALITY.
- b. Audit the LOCALITY's Project records and documentation as may be required to verify LOCALITY compliance with applicable policies, laws, and regulations.
- 4. Nothing in this Agreement shall obligate the Parties hereto to expend or provide any funds in excess of funds agreed upon in this Agreement or as shall have been included in an annual or other lawful appropriation. CVTA funding is limited to the funding identified in the Appendix A of this Agreement, or other sources of funding allocated to the project by the CVTA and is allocable only upon LOCALITY's compliance with all requirements of this Agreement. In the event the cost of all or part of the Project is anticipated to exceed the allocation shown on Appendix A, the Parties agree to cooperate in seeking additional funding for the Project or to terminate the Project before Project costs exceed the allocated amount. Any requested increase in CVTA funding is subject to CVTA policy and procedures applicable to the funding source and is not guaranteed. If the CVTA elects to allocate additional funds, such additional funds shall be paid from federal, state, and/or CVTA revenues, in proportions as agreed by the Parties at the time, with the goal of expending state or federal funds first before expending LOCALITY

and/or CVTA revenues.

- 5. In the event there is a significant reduction in costs, the LOCALITY and CVTA will work reasonably and in good faith to amend Appendix A fairly to reflect the effect of the reduction, with the goal of applying the savings to supplant LOCALITY and CVTA funding commitments, and to maximize the use of federal and state funds on the Project. If federal or state funding not previously available for the Project becomes available for any portion of the Project, then the LOCALITY and CVTA will work reasonably and in good faith to fairly allocate the additional funding, with the goal of applying the additional funding to supplant LOCALITY and CVTA funding commitments, and to maximize the use of state and federal funds on the Project.
- 6. Nothing in this Agreement shall be construed as a waiver of the LOCALITY's or CVTA's sovereign immunity.
- 7. The Parties mutually agree and acknowledge, in entering this Agreement, that the individuals acting on behalf of the Parties are acting within the scope of their official authority and capacity and the Parties agree that neither Party will bring a suit or assert a claim against any official, officer, or employee of either Party, in their individual or personal capacity, for a breach or violation of the terms of this Agreement or to otherwise enforce the terms and conditions of this Agreement. The foregoing notwithstanding, nothing in this Agreement shall prevent the enforcement of the terms and conditions of this Agreement by or against either Party in a competent court of law.
- 8. The Parties mutually agree that no provision of this Agreement shall create in the public, or in any person or entity other than the Parties, rights as a third party beneficiary hereunder, or authorize any person or entity, not a party hereto, to maintain any action for, without limitation, personal injury, property damage, breach of contract, or return of money, or property, deposit(s), cancellation or forfeiture of bonds, financial instruments, pursuant to the terms of this Agreement or otherwise. Notwithstanding any other provision of this Agreement to the contrary, unless otherwise provided, the Parties agree that the LOCALITY and the CVTA shall not be bound by any agreements between either Party and other persons or entities concerning any matter which is the subject of this Agreement, unless and until the LOCALITY and the CVTA has, in writing, received a true copy of such agreement(s) and has affirmatively agreed, in writing, to be bound by such Agreement.
- 9. This Agreement may be terminated by either Party upon 30 days advance written notice to the other Party. Eligible Project expenses incurred through the date of termination shall be reimbursed in accordance with paragraph 3.a., subject to the limitations established in this Agreement and Appendix A. Upon termination and unless otherwise agreed to, the CVTA shall retain ownership of plans and specifications. Right-of-way acquired with CVTA funding shall be transferred to the jurisdiction in which the Project is located, unless otherwise agreed. The LOCALITY may retain plans, specifications, and right-of-way if all CVTA funds expended for the project are reimbursed to the CVTA.
- 10. Prior to taking any action alleging breach of this Agreement, the CVTA shall provide notice to the LOCALITY with a specific description of the LOCALITY's breach of this

CVTA Regional Project Administration Agreement

Locality: LOCALITY

Agreement. Upon receipt of a notice of breach, the LOCALITY will be provided the opportunity to cure such breach or to provide a plan to cure to the satisfaction to the CVTA. If, within sixty (60) days after receipt of the written notice of breach, the LOCALITY has neither cured the breach, nor is diligently pursuing a cure of the breach, then upon receipt by the LOCALITY of a written notice from the CVTA stating that the breach has neither been cured, nor is the LOCALITY diligently pursuing a cure, the CVTA may exercise any remedies it may have under this Agreement or at law or in equity.

- 11. The LOCALITY and CVTA acknowledge and agree that this Agreement has been prepared jointly by the Parties and shall be construed in accordance with its fair meaning and not strictly for or against any Party.
- 12. This Agreement, when properly executed, shall be binding upon both Parties, their successors, and assigns.
- 13. This Agreement may be modified only in writing by mutual agreement of the Parties.
