### STATEMENT REGARDING VIRTUAL MEETINGS

Chet Parsons, PlanRVA, shared the statement on virtual meetings.

   There were no requested changes to the meeting agenda. Seeing and hearing no objections the January 10, 2022, agenda was approved by acclamation as presented.

2. **Approval of December 13, 2021, CVTA TAC Action Meeting Minutes**

3. **Open Public Comment Period**
   There were no requests to address the CVTA Technical Advisory Committee.

4. **CVTA Technical Advisory Committee Chairman’s Report**
   There was no report from the Chairman.

5. **CVTA TAC Staff Update**
   a. **Finance Committee Update**
      Mr. Parsons reported that the Finance Committee reported on the items heard at the recent Finance Committee meeting.

      Eric Gregory, Hefty Wiley, reported that the Fall Line Trail S.P.A.’s between the localities and CVTA are being drafted. He asked members to be in touch with their local legal councils to determine how they want to proceed. The agreements need to be in place as soon as possible, especially with the funding decisions set to be made at the General Assembly.

      There was discussion about making the agreements generic so that they can be used for other projects as well.

6. **FY21 annual certification and FY23 expenditure plans – review of GRTC and locality reporting requirements/establishment of tentative submission deadline**
   Mr. Parsons reported that there are two reporting requirements, the expenditure plans and the annual certification reports. The certification reports are not finalized yet but will need to be done as soon as possible. There is a template cover sheet along with the SPA.

   There was discussion about the requirement that the Finance Committee review the annual certification reports. The CVTA will pass a resolution of acceptance for the reports after the Finance Committee Review.

   The certification reports should be submitted within the next 30 days. No report is necessary if there were no expenditures.

7. **Regional Project Prioritization**
   a. **Update on FY23-26 project applications**
      Staff is currently setting applications up for review and scoring. Everything is on schedule to complete this by the end of February.

   b. **Update on member bench contract utilization for third-party estimates**
      The DRPT bench contract can’t be used on this effort. VDOT is looking at the possibility of using the VDOT bench contract.
c. Revised VDOT regional project funding estimates  
   Mr. Parsons reported that the estimates are trending down.  

d. Schedule refinement  
   The January and March CVTA meetings are expected to be cancelled.

8. **Fall Line Working Group – review of upcoming meeting agenda**  
   Chair Eure reported that the meeting agenda is being developed for the January 12th meeting.

9. **CVTA TAC Member Comments**  
   Ms. Torres was welcomed back.

10. **Next Meeting: February 14, 2022**

11. **Adjournment**  
    Chairman Eure adjourned the meeting at 1:58 p.m.
