**To:** PlanRVA <PlanRVA@planrva.org>  
**Subject:** CTAC and PO&E Joint Meeting

There will be a joint meeting of the RRTPO Community Transportation Advisory Committee (CTAC) and the PlanRVA Public Outreach and Engagement (PO&E) Committee on **Thursday, May 15<sup>th</sup> at 12:00 p.m.** in the James River boardroom at PlanRVA, 424 Hull Street, Suite 300, Richmond, VA 23224, and via Zoom.

The meeting agenda will include an initial review of the Title VI Plan prior to the agency's upcoming compliance review of the plan. Because Title VI compliance is required for all federally funded activities, **both the CTAC and the PO&E Committee will be asked to review the plan and recommend any necessary updates.** The Equity Working Group has been specifically tasked with the review, but both larger groups will be asked to make recommendations to their respective board (RRTPO Policy Board for CTAC; PlanRVA Commission for PO&E)..

Lunch will be provided; more information and the meeting agenda will be sent soon. An Outlook calendar invitation will be sent today.

*Note: This message is being sent to RRTPO CTAC and PlanRVA PO&E members, alternates and interested parties.*
