J. Decisions of the Authority. The Authority shall act in one of the following ways:

Decisions of the Authority shall require an affirmative vote of those present and voting whose votes represent at least four-fifths of the population embraced by the Authority; however, no motion

to fund a specific facility or service shall fail because of this population criterion if such facility or service is not located or to be located or provided or to be provided within the county or city whose chief elected officer's or elected official's, or its respective designee's, sole negative vote caused the facility or service to fail to meet the population criterion. The population of the counties and cities embraced by the Authority shall be the population as determined by the most recently preceding decennial census, except that on July 1 of the fifth year following such census, the population of each county and city shall be adjusted, based on population estimates made by the Weldon Cooper Center for Public Service of the University of Virginia, and such adjusted population shall be utilized for the following years until the next decennial census.

1. The Authority may authorize members to participate in a meeting by electronic communication means pursuant to policies adopted by the Authority in compliance with the Virginia Freedom of Information Act and other applicable laws.
