   - Item 6. CVTA Technical Advisory Committee Update
     a. Certification Reporting – Member Spending Plans
     b. Regional Project Prioritization

2. Approval of April 30, 2021 CVTA Action Meeting Minutes
   There were no comments or corrections to the April 30, 2021 CVTA action meeting minutes.

   On motion of W. Canova Peterson, seconded by John H. Hodges, the Authority unanimously approved the minutes of the April 30, 2021 CVTA action meeting by acclamation as presented (voice vote).

3. Open Public Comment Period
   There were no requests to address the CVTA.

4. CVTA Chairman's Report
   Chair Thornton expressed his appreciation for everyone joining the meeting in-person and virtually at VDOT's Richmond District Office in Chesterfield County.

B. COMMITTEE REPORTS

5. CVTA Technical Advisory Committee Update
   b. Regional Project Prioritization
      After a lengthy discussion on a proposed motion (see below) by Chair Thornton, the Authority took a recess. After a 5-minute break, the Authority reconvened, and Chairman Thornton proposed to take action.

      On motion of Kevin P. Carroll, seconded by W. Canova Peterson, the Central Virginia Transportation Authority (CVTA) unanimously approved the following resolution (see Appendix A):

      Resolved, that the Central Virginia Transportation Authority directs CVTA staff to draft letters on behalf of the CVTA to: 1) the Secretary of
Transportation and CTB indicating the CVTA’s commitment to providing the required match for the consensus scenario Round 4 Smart Scale allocations directed to additional Fall Line Trail projects; and 2) federal representatives indicating the CVTA’s commitment to making the completion of the trail a regional priority. Also, direct the CVTA Technical Advisory Committee (TAC) to work with VDOT and CVTA staff to establish a budget, timeline, cash flow and project management resources to fully fund and complete all sections of the Fall Line Trail located within the CVTA member localities that do not have other committed funding sources; and report back to the Finance Committee, as well as the full Authority by their August 2021 meetings. Furthermore, direct the CVTA TAC and CVTA staff to coordinate with the four member localities that do not directly benefit from the Fall Line Trail to define their regional priority project needs and develop a draft funding plan for each of those projects.

6. CVTA Finance Committee Update

b. Support Services Memorandum of Understanding (MOU)
A Memorandum of Understanding for Support Services between the CVTA and PlanRVA was included in the packet for Authority member consideration. It shows the markup reflecting changes from the current MOU in place through the end of June and the proposed changes for the new Fiscal Year.

The Finance Committee members reviewed the proposed MOU at the May meeting and recommend approval of the MOU, incorporating all tracked changes for execution. In general, the proposed MOU extends provision of support services through the end of Fiscal Year 2022 by PlanRVA with updates to responsibilities in alignment with our established financial management policies and procedures, fiscal agent agreements and current discussion regarding future staffing needs and CVTA activities. Total compensation to PlanRVA is not to exceed $210,000 for staff expenses. PlanRVA will continue to incur all other operating expenses on the CVTA’s behalf and submit for reimbursement of all expenses quarterly. Ms. Heeter talked through the specifics of the MOU and answered additional questions.

By unanimous consent, the Authority agreed to consider and amend the following: The members agreed to strike the word “support” and insert the words “provide oversight” to read “Support Provide oversight of Chesterfield County and City of Richmond in assuring timely completion and reporting of activities outlined in the fiscal agent agreements [...]” (MOU Section C.7.d. Support Services Available)

On motion of Neil Spoonhower, seconded by Kevin P. Carroll, the Central Virginia Transportation Authority (CVTA) unanimously approved the following resolution as recommended by the CVTA Finance Committee (see Appendix A):

RESOLVED, that the Central Virginia Transportation Authority (CVTA) approves the Support Services MOU with PlanRVA for FY 2022 as amended and authorizes the Chairman to execute.
c. Draft Memorandum of Agreement (MOA) – CVTA/Localities
   The Finance Committee reviewed the draft MOA with localities at the May meeting. The MOA has been circulated to all localities via the TAC and local legal counsel and requested revisions have been incorporated into the draft presented. All member localities will have the same draft, except that Hanover County and the Town of Ashland will have an additional paragraph to address their unique determination of allocations process. Members are asked to provide comment on the draft so all necessary edits may be incorporated.

Pending further revisions, staff requests the Authority approve the MOA as to form for official distribution and requested action by the member localities. Mr. Gregory walked through the specifics of the MOA.

On motion of W. Canova Peterson, seconded by David T. Williams, the Central Virginia Transportation Authority (CVTA) unanimously approved the following resolution as recommended by the CVTA Finance Committee (see Appendix A):

RESOLVED, that the Central Virginia Transportation Authority (CVTA) approves the MOA between the CVTA and the localities as to form for official distribution and requested action by the member localities.

d. Future Needs of the CVTA
   i. Staffing Needs
      The Finance Committee members participated in a discussion led by Chairman Stoney as a follow up to the April Authority meeting presentations by Monica Backmon (NVTA) and Kevin Page (HRTAC) on their staffing models.
      Following significant discussion, a motion was made which was carried (3-Y 2-N) to direct PlanRVA staff to develop job descriptions for an Executive Director, Executive Assistant, and such other roles as are deemed appropriate with the objective to fill these roles within the next six months.

On motion of Kevin P. Carroll, seconded by David T. Williams, the original motion was unanimously deferred by a vote of acclamation (voice vote). A substitute motion was introduced.

On motion of Kevin P. Carroll, seconded by Neil Spoonhower, the Central Virginia Transportation Authority (CVTA) unanimously approved the following resolution (see Appendix A):

RESOLVED, that the Central Virginia Transportation Authority (CVTA) Chair creates an ad hoc personnel committee to study the staffing needs and charges the committee with a timeline to report back to the Authority with staffing solutions.

PlanRVA staff is prepared to coordinate with the HR Roundtable as representatives are available and to work with the Personnel Committee to make recommendations for future staffing needs.
ii. **Project Financing**

The Finance Committee members heard a presentation from Davenport – the financial advisors for Chesterfield County - regarding: Hypothetical Borrowing Capacity, Comparison of debt load with Other Regional Authorities, Moody's Special Tax Rating Overview, and Borrowing Considerations. The presentation was very helpful in considering the options the Authority might consider in advancing regional projects ranging from a pay-go model to bond issuance.

On motion of Kevin P. Carroll, seconded by David T. Williams, the Central Virginia Transportation Authority (CVTA) unanimously approved the following resolution (see Appendix A):

RESOLVED, that the Central Virginia Transportation Authority (CVTA) recommends to the CVTA Finance Committee to develop and issue an RFP to procure a Financial Advisor and Bond Counsel.

7. **CVTA Nominating Committee Update**

CVTA Chair Thornton appointed the following members to the CVTA Nominating Committee:

- Patricia A. Paige, Chair of the CVAT Nominating Committee, New Kent County
- W. Canova Peterson, Hanover County
- John H. Hodges, Town of Ashland
- David T. Williams, Powhatan County

At the May 25, 2021 meeting, the committee members discussed the charge of the committee and Mr. Gregory advised as to the content of the Bylaws.

Per the CVTA Bylaws, the officers' (Chair and Vice-Chair) terms of office will expire at the end of June 2021 (or until their successors are elected). New officers are to be elected at the annual meeting, which is the regular meeting in July (See Bylaws, Art. IV(A)). Officers are eligible for reelection for an additional one-year term (See Bylaws, Art. III(B)). At the June Authority meeting, the Nominating Committee will submit a slate of officers (Chair and Vice-Chair) for election by the board.

The Nominating Committee unanimously agreed to recommend the following persons to serve as Chair and Vice Chair for fiscal year 2022:

- Frank Thornton, Chair
- Kevin Carroll, Vice Chair

This recommendation will be included as part of the election item in the July Authority meeting agenda.

The Committee also discussed the provisions of the Bylaws relating to membership of the Finance Committee. The Bylaws provide that the Finance Committee includes five (5) members of the Authority: three (3) of these members are representatives of the jurisdictions with the highest population (Chesterfield, Henrico and Richmond), while the remaining two (2) are to be appointed by the Authority.
The Nominating Committee recommended the Authority consider vesting responsibility with the Nominating Committee for recommendation of names of persons to serve in the two (2) seats of the Finance Committee to be appointed by the Authority, which would require an amendment to the Bylaws. Until such time, the Authority, as a body, holds responsibility for determining the persons who will serve on the Finance Committee in the two (2) open seats.

On motion of David T. Williams, seconded by John H. Hodges, the Central Virginia Transportation Authority (CVTA) unanimously approved the following resolution (voice vote):

Resolved, that the Central Virginia Transportation Authority consider vesting responsibility with the Nominating Committee for recommendation of names of persons to serve in the two (2) seats of the Finance Committee to be appointed by the Authority.

Further Resolved, that the Central Virginia Transportation Authority waives the germaneness for the Bylaws amendment.

C. OTHER BUSINESS

9. First Reading of the CVTA Bylaws Amendments
   On motion of W. Canova Peterson, seconded by Neil Spoonhower, the Central Virginia Transportation Authority (CVTA) unanimously approved the following resolution (see Appendix A):

   Resolved, that the Central Virginia Transportation Authority approves the first reading of the CVTA Bylaws amendments.

11. Next CVTA Authority Meeting: June 25, 2021
    The next action meeting will be held on June 25, 2021, beginning at 8:30 a.m. at a place to be determined.

D. ADJOURNMENT
    Chairman Thornton adjourned the meeting at 11:14 a.m. on May 28, 2021.

Tim Kaine
United States Senate
231 Russell Senate Office Building
Washington, D.C. 20510

Dear Senator Kaine:

On behalf of the Central Virginia Transportation Authority, I am writing to share the excitement that the Authority holds regarding our ability to advance key regional transportation improvements in the Richmond Region. One particular project that the CVTA is committed to making a reality is the Fall Line. As you know, this 43-mile regional trail will course through seven localities, cross the Chickahominy, James, and Appomattox Rivers, and connect with parks, businesses, and schools along the way. Running north to south, the Fall Line will be the spine of a regional trail network connecting with the Virginia Capital Trail in Richmond and the Appomattox River Trail in Petersburg.

As we near the end of its first year of operation, we wanted to share with you that the CVTA is committed to making the completion of the trail a regional priority.

We strive to be a resource for our region and provide much-needed transportation funding for regional priority projects, and I continue to view our partnership with you and the rest of Virginia's delegation in the highest regard. Thank you for your dedication to your constituents and I look forward to a long, productive relationship.

Sincerely,

Frank J. Thornton

Dear Representative McEachin:

On behalf of the Central Virginia Transportation Authority, I am writing to share the excitement that the Authority holds regarding our ability to advance key regional transportation improvements in the Richmond Region. One particular project that the CVTA is committed to making a reality is the Fall Line. As you know, this 43-mile regional trail will course through seven localities including the Fourth District, cross the Chickahominy, James, and Appomattox Rivers, and connect with parks, businesses, and schools along the way. Running north to south, the Fall Line will be the spine of a regional trail network connecting with the Virginia Capital Trail in Richmond and the Appomattox River Trail in Petersburg.

As we near the end of its first year of operation, we wanted to share with you that the CVTA is committed to making the completion of the trail a regional priority.

We strive to be a resource for our region and provide much-needed transportation funding for regional priority projects, and I continue to view our partnership with you and the rest of Virginia's delegation in the highest regard. Thank you for your dedication to your constituents and I look forward to a long, productive relationship.

Sincerely,

Frank J. Thornton

REQUESTED ACTION: Acceptance of the member locality spending plans for fiscal year 2022 to satisfy CVTA Bylaws requirements for confirmation of project and program eligibility.

BACKGROUND: The Central Virginia Transportation Authority has a responsibility under the Code of Virginia and its own bylaws to responsibly allocate revenues collected on behalf of the authority to eligible transportation uses.

This local allocation plan is called for in the CVTA Bylaws (C.1.d) and is intended to serve as an outlook on what the intent of each member jurisdiction might be for CVTA revenues.

Reporting may differ between each of the jurisdictions. The types of expenditures representing the breadth of local priorities are not exactly the same and the reporting for each will be different. This local allocation plan is able to be updated by member localities on a quarterly basis so that adjustments may be made throughout the year.

CVTA TAC RECOMMENDATION: The CVTA Technical Advisory Committee recommends acceptance of the FY22 Local Allocation Plan.

STAFF RECOMMENDATION: Staff concurs with the CVTA Technical Advisory Committee recommendation.

ACTION REQUESTED: The following resolution is presented for CVTA approval:

RESOLVED, that the Central Virginia Transportation Authority (CVTA) accepts the FY22 member Local Allocation Plan.

Such designation shall be for the purposes of the one meeting that the Member is unable to attend and shall be submitted in writing or electronically to the Chair of the Authority at least forty-eight (48) hours prior to the affected meeting.

C. Terms of Membership. All Members of the Authority shall serve terms coincident with their terms of office.

ARTICLE III

The Authority may further elect such other subordinate officers from among its Members as it may from time to time deem appropriate. The election of officers shall be conducted in accordance with the voting procedures set forth in Article IV, section K.

B. Terms of Office. Officers of the Authority shall be elected at the annual organizational meeting of the Authority, to serve for a term of one (1) year or until a successor is elected, unless sooner removed by the Authority or the person ceases to be a Member of the Authority. All officers shall be eligible for reelection; provided, however, no officer may serve more than two (2) consecutive one (1) year terms. Any officer who serves a partial term shall not be considered as serving a full term for purposes of this limitation. Any vacancy occurring in an office will be filled for the unexpired term by the Authority at the next regular meeting (or at an earlier special meeting called for that purpose) following the occurrence of such vacancy.

C. Nominating Committee. At a regular meeting held preceding the annual organizational meeting at which the election of officers will be held, the Chair shall appoint a nominating committee, subject to the approval of the Authority. At the annual organizational meeting, the nominating committee shall submit the name or names of one or more persons for each office to be filled, the offices of Chair and Vice Chair and for the two (2) Finance Committee members appointed by the Authority. Additional nominations may be made by any Member at the annual meeting.

E. Vice Chair. In the event of the absence of the Chair, or the inability of the Chair to perform any of the duties of the office or to exercise any of the powers thereof, the Vice Chair shall perform such duties and possess such powers as are conferred on the Chair, and shall perform such other duties as may from time to time be assigned to the Vice Chair by the Chair or be established by the Authority.

ARTICLE IV

MEETINGS

A. Annual Organizational Meeting. The regular meeting for the month of July shall serve as the annual organizational meeting for the purpose of electing officers and transacting such other business as may come before the meeting.

B. Regular Meetings. Regular meetings of the Authority shall be held on a periodic basis as determined by resolution of the Authority, but not less frequently than once per quarter, at a place to be determined by the Chair, or at such time and place as the Authority may determine.

C. Special Meetings. Special meetings shall be held when requested by two (2) or more Authority Members. Such request shall be in writing, addressed to the Chair, and shall specify the matter(s) to be considered at the meeting. Upon receipt of such request, the Chair shall immediately ensure the necessary coordination for a meeting site and time and cause notice to be provided to each Member of the Authority to attend the special meeting at the time and place specified. Such notice shall specify the matter(s) to be considered at the meeting, and shall be sent by electronic (e.g., email) or telephonic means. No matter not specified in the notice shall be considered at such special meeting unless all Members of the Authority are present.

D. Adjourned Meetings. Any regular or special meeting may be adjourned to a date and time certain.

E. Public Notice. All meetings of the Authority shall be preceded by public notice given in accordance with the provisions of the Virginia Freedom of Information Act, Section 2.2-3707, et seq. of the Virginia Code. Notice of all meetings shall be published on the Authority’s website and available in the offices of the Authority.

F. Public Hearing. Public hearings may be held at the direction of the Authority and shall, unless otherwise specified by the Authority or these Bylaws, be upon notice published on the Authority’s website and in a newspaper or newspapers having general circulation in the geographic area encompassed by the Authority, if required by applicable law.

G. Open Meetings. All Authority meetings shall be open to the public in accordance with the Virginia Freedom of Information Act (Virginia Code §2.2-3700 et seq.), provided that the
Authority may meet in closed session for those purposes authorized by, and held in accordance with the requirements of the Virginia Freedom of Information Act.

H. Quorum. A majority of voting Members of the Authority, or their designees pursuant to Article II, section B, shall constitute a quorum. Vacancies shall not be considered in the establishment of a quorum.

I. Temporary Absence. No action shall be voted upon by the Authority unless a quorum is present or achieved by members participating by electronic communication means; provided, however, that the temporary absence from the meeting room of Members (or designees attending pursuant to Article II, section B) required to constitute a quorum shall not be deemed to prevent presentations or deliberations regarding any matter that may be submitted to a vote. The Chair or any other Member may note the absence of a quorum during presentations or deliberations, but a failure to note the absence of a quorum during that period shall not affect the requirement that a quorum exist when any vote is taken.

J. Decisions of the Authority. The Authority shall act in one of the following ways:

1. Resolution – The Authority may act upon adoption of a resolution. Resolutions shall be in writing and a copy of any proposed resolution shall be provided to all Members of the Authority before the resolution is proposed for adoption.

2. Motion – The Authority may act on oral motion made by any voting Member of the Authority (or a designee attending pursuant to Article II, section B).

K. Voting. Votes shall be taken only upon motions made and seconded. All voting shall be taken by voice or by roll call if requested by any voting Member (or any designee attending pursuant to Article II, section B).

1. Votes – Votes of the chief elected officers of localities or their designees, appointed to the Authority shall be weighed, based upon the population of the locality, as follows:
   a. A vote cast by each member representing the Counties of Chesterfield and Henrico and the City of Richmond shall each constitute four (4) votes.
   b. A vote cast by the member representing the County of Hanover shall constitute three (3) votes.
   c. A vote cast by each member representing the Counties of Goochland, New Kent and Powhatan shall each constitute two (2) votes.
   d. A vote cast by each member representing the Town of Ashland and the County of Charles City shall each constitute one (1) vote.

2. The Delegate, the Senator, and the member of the Commonwealth Transportation Board appointed to the Authority shall each receive one (1) vote.

3. For the purposes of this section, each voting Member of the Authority refers to the Member or if a Member has a designee attending pursuant to Article II, section B,
then that Member’s designee. Each voting Member of the Authority shall be entitled to one (1) vote in all matters requiring action by the Authority and those votes shall be weighted as described in K.1. Decisions of the Authority shall require an affirmative vote of those present and voting whose votes represent at least four-fifths of the population embraced by the Authority; however, no motion to fund a specific facility or service shall fail because of this population criterion if such facility or service is not located or to be located or provided or to be provided within the county or city whose chief elected officer’s or elected official’s, or its respective designee’s, sole negative vote caused the facility or service to fail to meet the population criterion. The population of the counties and cities embraced by the Authority shall be the population as determined by the most recently preceding decennial census, except that on July 1 of the fifth year following such census, the population of each county and city shall be adjusted, based on population estimates made by the Weldon Cooper Center for Public Service of the University of Virginia, and such adjusted population shall be utilized for the following years until the next decennial census.

L. Commencement of Meetings. At the times specified for the commencement of regular meetings, and at the hour specified for adjourned or special meetings, the Chair shall call the meeting to order, and shall ensure that the presence of Members (or their designees) or absence is noted. A quorum shall be required for the commencement of any meeting.

M. Agenda. The Chair shall prepare an agenda for each meeting. Any Member having matters to be considered by the Authority shall submit them to the Chair for inclusion on an appropriate agenda. The agenda for an upcoming meeting shall be sent to the Members prior to the meeting date (for regular meetings, the Chair should endeavor to provide the agenda at least ten (10) days in advance).

N. Minutes. Minutes of the meetings of the Authority, except closed sessions, shall be kept and be a public record. Copies of the minutes shall be provided to each Member prior to the meeting at which the minutes are to be presented for approval by the Authority.

O. Closed Sessions. If a closed session is required at a meeting, consistent with purposes permitted by Virginia law, the agenda shall specify a time or position on the agenda, generally after all public business has concluded, for such a closed session properly called and conducted in accordance with Virginia law. When so requested, the Chair may permit a closed session at any other time prior to consideration of any agenda item provided that the purpose of the closed session and the procedure used to go into closed session are in accordance with Virginia law.

P. Member participation and meetings conducted by electronic communication means.

1. The Authority may authorize members to participate in a meeting by electronic communication means pursuant to policies adopted by the Authority in compliance with the Virginia Freedom of Information Act and other applicable laws.

2. The Authority may meet by electronic communication means without a quorum
physically assembled at one location when the Governor has declared a state of emergency and in compliance with applicable law, or when otherwise authorized by applicable law. Meetings conducted by electronic communication means shall comply with the Virginia Freedom of Information Act, other applicable laws, and Authority policies.

Q. **Order in Conduct of Business.**

1. **Persons Addressing the Authority.** Prior to public comment and public hearings, the Authority will provide guidelines for length of presentation by individuals and group representatives. Persons speaking at a meeting or public hearing shall confine their remarks to the subject of the meeting or public hearing. Persons addressing the Authority may furnish the Chair and Members with a written copy of their remarks, at or before the meeting.

2. **Reorder by Chair.** At the discretion of the Chair, the conduct of business by the Authority may be reordered to allow earlier consideration of matters about which a substantial number of persons desire to address the Authority or for any other legitimate reason.

3. **Recognition.** Recognition shall be given only by the Chair. No person shall address the Authority without first having been recognized.

4. **Questions.** Questions by Members (or their designees) shall be reserved insofar as possible for the end of a presentation to avoid interrupting the speaker, disrupting the time-keeping process, and duplicating ground the speaker may cover.

5. **Authority Discussion.** Discussion and debate by the Authority shall be conducted following the presentation of the item of business pending. No Member (or designee) shall speak to the item until recognized by the Chair.

R. **Decorum.**
