Good afternoon CVTA TAC members,

Instead, please be on the lookout next week for an email providing updates on the FY24 Regional Project Application Cycle. This email will serve as a general update on where things stand in the process and what can be expected moving forward.

If you have any questions, please feel free to reach out to Chet Parsons (CVTA Executive Director) Chet@CVTAVA.org or Dironna Clarke (CVTA TAC Chair, City of Richmond) Dironna.Clarke@RVA.gov

Thank you.

Note: This message is being sent to CVTA TAC members, alternates, interested parties and stakeholders.
