

## ConnectRVA 2045 Update (9/23/2020)

### L RTP Task 2.0: Strategic Directions – Vision, Goals, Objectives and Performance Measures

**Vision, Goals, and Strategies Survey:** We have 775 completed responses so far. The survey [link](#) is active and will be available until midnight of October 11. We have shared the survey in social media posts again to give it one more boost. **We also ask that you share this with your constituents once again.**

Staff will present the preliminary survey results in the LRTP-AC meeting scheduled for October 22.

### L RTP Task 3.0: Universe of Projects

**Transportation Projects development:** Staff followed up with project champions after staff had initiated the project development process and have developed projects based on transportation plans and studies recommendations. Staff will work with the champions to add projects for issues which have not been addressed yet. The tentative schedule is to complete this process by mid of November.

The ‘Universe of Issues for Screening’ and ‘Universe of Project- First Screening and Project Development’ spreadsheets and the “Project Inclusion Guidelines” can also be found [here](#).

### L RTP Task 8.0 Document Development

Staff have developed a preliminary table of content for the LRTP Document. Staff will present this to the AC for their comments and suggestions in the next LRTP-AC meeting.
