Cooperation Agreement
for
Multi-Jurisdictional Analysis of Impediments to Fair Housing Choice

1. Background and Purpose

In addition to prohibiting discrimination, the Fair Housing Act and its amendments impose an affirmative duty on localities that participate in the Community Development Block Grant Program and administer federal public housing and/or Housing Choice Voucher programs to promote fair housing by performing an analysis of impediments to fair housing choices (the “Analysis”). The Analysis is intended to inform and guide the Participants in fulfilling their obligation to set goals, priorities, and strategies promoting fair housing.

The HUD Rule which requires the Participants to affirmatively further fair housing (24 CFR § 5.150), was adopted in 2015. The 2015 Rule requires the Participants to develop an “Assessment of Fair Housing” as a replacement for the previously required “Analysis of Impediments to Fair Housing Choice.” HUD subsequently issued a Notice on January 5, 2018 delaying the “Assessment of Fair Housing” requirement and directing participants to complete the Analysis of Impediments to Fair Housing Choice (“AI”) instead.

In the Richmond-Petersburg Metropolitan area, the federal program participants required to complete an AI include the Cities of Colonial Heights, Hopewell, Petersburg and Richmond, and the Counties of Chesterfield and Henrico (the “RPJs”).

The RPJs desire to combine their purchasing efforts in order to achieve greater efficiency and cost-savings to all parties; to minimize duplication and maximize efficiency by coordinating their efforts; and to eliminate multiple government solicitations and reduce related expenses. The RPJs have identified the Richmond Regional Planning District Commission (PlanRVA) as the party responsible for administering the procurement process on their behalf. By executing this Cooperation Agreement, the RPJ’s authorize PlanRVA to act on their behalf in developing and publishing a Request for Proposals and coordinating with the RPJs to select the preferred proposals. Upon successful negotiation of a selected vendor, PlanRVA will serve as lead organization for contract oversight and provide administrative support to the RPJs in carrying out the Analysis.

This Cooperation Agreement is intended to specify the rationale and process for the RPJs to develop an Analysis of Impediments to Fair Housing Choice that meets the requirements of each RPJ to comply with the 2015 Rule and that also fulfills the broader objective of promoting cross-jurisdictional cooperation on matters identified in the Analysis.

2. Regional Participating Jurisdictions

The localities that are parties to this Cooperation Agreement are the Cities of Colonial Heights, Hopewell, City of Petersburg, City of Richmond, and the Counties of Chesterfield, and Henrico.
3. Term

The Term of this Cooperation Agreement shall begin on the date that the last RPJ signs it. Thereafter, the Agreement shall remain in effect until the Analysis is completed. The Analysis shall be completed no later than June 30, 2020.

4. Administration and Support

PlanRVA will develop and issue the RFP and manage all aspects of the procurement process on behalf of RPJs, and will also serve as contract administrator following award of the contract to the successful offeror. PlanRVA will be responsible for coordinating all elements of the public comment and input process, including but not limited to coordinating and scheduling meetings, placing advertising, and undertaking outreach through social media and other means, working with the RPJs to identify constituencies to be targeted for outreach, and distributing notices as needed. PlanRVA will provide basic mapping, demographic, and socioeconomic data as available and as needed for the project. PlanRVA will at all times comply with the requirements and provisions of the Virginia’s Public Procurement Act (“VPPA”).

PlanRVA will be entitled to recover its costs expended in providing the aforementioned paragraph, in an amount not to exceed $15,000.

5. Scope of Agreement

a. Purpose: The RPJs shall work cooperatively to develop the terms of a mutually agreed upon RFP which will be issued and administered by PlanRVA. The RFP shall require the Analysis to meet all the requirements of the 2015 Rule, and any other HUD guidelines that may apply.

b. Applicable Law: All procurement issued pursuant to this Agreement shall be conducted in accordance with the VPPA and any other applicable statutes, ordinance, rules and regulations and policies that govern procurement in the Commonwealth of Virginia or that may be required by the 2015 Rule.

c. RPJ Representatives: Each RPJ will designate a lead staff member responsible for representation throughout the project. Such representatives should have sufficient authority to act on behalf of their respective jurisdictions on all matters relating to the procurement and award of the contract, and on the content and form of the Analysis.

Each RPJ shall provide written notice to PlanRVA of its RPJ Representative within thirty (30) days of the execution of this Cooperation Agreement. This notice should include the individual’s name, title, and contact information. Any RPJ may replace its Representative with a new Representative at any time by providing written notice to PlanRVA of the new Representative’s name, title and contact information. PlanRVA shall also designate a project
representative and shall give written notice to all RPJs of the name, title, and contact information of that representative.

Contact Information for PlanRVA: Official communication to PlanRVA may be addressed as follows.

d. Assessment Costs and Payment

i. Joint Costs: The RPJs shall share the costs for performing the Analysis including costs related to procuring a vendor as well as the administrative fees of PlanRVA as set forth in this section (d). Together, the budget for the administration ($15,000) and vendor ($110,000) activities is $125,000. By executing this Agreement, each RPJ represents that it has sufficient budget authority to make payments for the activities related to this Cooperation Agreement.

ii. Share of Total Costs: Each RPJ agrees to share in the cost of the Analysis through an agreed upon methodology. Figures listed in the table below indicate a not to exceed amount agreed upon by each RPJ and, provided, however, that if the total cost of the project is less than the budget agreed upon herein, each RPJ’s share will be reduced proportionately.

iii. Methodology for Share of Total Costs: The share of total costs was derived by setting a minimum contribution of $5,000 and adding an increment based on calculating the percentage of 2018 Census estimated population for each RPJ compared to the total; calculating the percentage of 2019 CDBG entitlement compared to the total; averaging those two percentages and applying that percentage to the not-to-exceed estimated project cost of $125,000. Allocation of project costs by RPJ is as follows:

iv. Payment: PlanRVA will request payment from each RPJ for administrative costs and consultant fees incurred during each calendar quarter following execution of this Cooperation Agreement. Requests for Payment will provide a summary of all expenses incurred during the quarter and will be apportioned according to the agreed upon Share of Total Costs.

v. Invoice Content: The Requests for Payment will include, at a minimum:

2. PlanRVA summary of activity for the period and associated charges; and
