

## DRPT Agency Update – November 2023

### **FY2025 Grant Cycle**

In order to introduce public transportation grant recipients to DRPT's new grants management system, WebGrants, DRPT staff held webinars on Monday, October 30<sup>th</sup>, 2023 at 10:00AM and Tuesday, October 31<sup>st</sup>, 2023 at 2:00PM. The webinars introduced the new grants management system interface and included information on registering organizations and users, submitting claims for reimbursement, and other grant-related activities. Recordings of the webinars are posted to the DRPT YouTube website.

**Reminder:** DRPT will place a freeze on reimbursements in OLGA from November 15-December 1, 2023. Please plan accordingly.

WebGrants will launch on December 1, 2023 with the opening of the FY25 grant application cycle. In addition, recording trainings and written guidance will be available on the DRPT website and DRPT staff will host Office Hours to answer questions and offer technical assistance to grantees.
