

# FY27 – FY30 Transportation Improvement Program (TIP)

Policy Board Meeting  
April 23, 2026

# Transportation Planning Process

# FY27 – FY30 Transportation Improvement Program (TIP)

- Federally required four-year transportation planning document
- Identifies projects seeking federal funding in the metropolitan area
- Coordinated with the Long-Range Transportation Plan and STIP
- Developed with state, regional, and local partners

# FY27 – FY30 Transportation Improvement Program (TIP)

- Organized by jurisdiction and project code
- UPC and STIP codes to track projects from start to finish.
- Web-based, searchable project database for public access
- Two main sections
  - Ungrouped Projects
  - Grouped projects
- Developed with VDOT, GRTC, and human service providers.
- Draft TIP released for public comment on March 12, 2026
- Includes staff recommendation and federal self-certification

# FY27 – FY30 Transportation Improvement Program (TIP)

- Public comment period held **March 12 – April 13, 2026**
- Outreach included newspaper notices and public event
- Draft TIP available on the TIP Engagement Website
- Comments reviewed by TAC on April 14, 2026

# FY27 – FY30 Transportation Improvement Program (TIP)

## *Projects Respondents Are Excited About...*

- Strong support for **transit** and **active transportation**, especially GRTC, Pulse BRT expansions, trails, sidewalks, and safety projects
- Positive response to urban roadway and streetscape improvements that **support compact development**

## *Projects Respondents Are Concerned About...*

- Broad opposition to **highway widening** and Short Pump-area expansions, citing induced demand and **sprawl**
- Concerns about **high costs**, **long-term maintenance**, and limited returns from major road projects

# FY27 – FY30 Transportation Improvement Program (TIP)

- The Technical Advisory Committee (TAC) recommends approval of the FY24 – FY27 Transportation Improvement Plan.

Draft resolution of approval included on **page 37**.
