Hello again!

I mentioned last week that I would soon be in touch about the next Public Meeting as well.

Richmond-Crater Hazard Mitigation Plan Update
Public Meeting #2 (virtual via Zoom)
June 28, 2021, 5pm to 6pm

A flyer is attached that I recommend you use to publicize the meeting as much as possible. Once, again, I'll need each community to provide me with evidence of those postings, whether they be screenshots, photos, or other. The PDCs will post info on their web site, but I encourage you to work with your PIO or other communications guru to post info about this meeting widely. Use your community Facebook page, Twitter feed, or Instagram site to post the flyer and a picture. Please, remember to advertise it in the same way you advertise Council or other Board meetings. Keep records!

CRS communities need to publicize it in at least 2 methods in addition to the PDC publication.

I'll follow up this email with an Outlook Calendar item.

I recommend that at least 1 representative from each community attend the Public Meeting.

Thanks everyone, and please note my new email address below. I look forward to seeing you all in the weeks ahead and sharing what I've learned!

PDC Posting on their web site

The screenshot shows a web browser window with the URL planva.org/event/hazard-mitigation-virtual-meeting/. The browser's address bar and tabs are visible at the top. The website has a teal header with navigation links: ABOUT US, OUR LOCALITIES, OUR PROGRAMS, MEETINGS, GET INVOLVED, and RESOURCES. Below the header, there is a section titled « All Events » with a message in a light yellow box stating "This event has passed." The event details are listed below: "Hazard Mitigation Virtual Meeting" on "June 28 @ 5:00 pm - 6:00 pm". There are two buttons: "GOOGLE CALENDAR" and "ICAL EXPORT". A light blue box contains three columns of information: DETAILS (DATE: June 28, TIME: 5:00 pm - 6:00 pm, WEBSITE: https://us02web.zoom.us/j/80260hMPZ_AHVPXV7o5), LOCATION (Virtual Event, VA United States), and DOWNLOADS (AGENDA: Hazard Mitigation Meeting Flyer). At the bottom of the page, a copyright notice reads "© 2021 Plan RVA | Powered by Beaver Builder". The Windows taskbar is visible at the very bottom of the image.
