### 1. BikePed 2045

There was a discussion about there not being any funds committed for this plan and the fact that the plan is not intended to apply to the very rural areas. There was a recommendation to mention/refer to the US Bicycle Routes.

On motion by James M. Holland, seconded by Andreas D. Addison, the Richmond Regional Transportation Planning Organization (RRTPO) Policy Board approved the following resolution by roll call vote (see Appendix A).

**WHEREAS**, the Richmond Regional Transportation Planning Organization Policy Board acknowledges the critical importance of alternative transportation modes for safe and equitable regional growth and development, and

**WHEREAS**, a well-planned and connected active transportation network represented by BikePedRVA 2045 and ConnectRVA 2045 will provide an essential resource for stakeholders and decision-makers to implement infrastructure priorities, and

**NOW THEREFORE BE IT RESOLVED** that the Richmond Regional Transportation Planning Organization Policy Board adopts *BikePedRVA 2045*.

### 2. CMAQ Project Request – Chesterfield County

Myles Busching, PlanRVA, presented this request. Following the presentation Mr. Busching clarified that previously approved projects are still set for funding. There are no other CMAQ projects with a higher score. There was discussion about the project list, and it was noted that the applications must be completed annually.

Chairman Williams asked for an update on the matter of project overages. Staff will be providing a report to the board at an upcoming meeting.

On motion by James M. Holland., seconded by Patricia S. O'Bannon, the Richmond Regional Transportation Planning Organization (RRTPO) Policy Board approved the following resolution by roll call vote (see Appendix A).

Mr. Eric Gregory, legal counsel, noted that if that becomes a requirement, the body will take steps to be in compliance. Currently it is not a requirement.
