

RideFinders Agency Update

- Met with the Department of Human Resource Management and Rosie's Colonial Downs in New Kent to discuss RideFinders services. We did a survey for DHRM and a density plot map for Rosie's Colonial Downs as well.
- Participated in the following employer events:
 - On site at Teleperformance, speaking with 22 employees about our services, transit options, ConnectingVA, and Ride Home Rewards.
 - On the Square event, connecting with 16 state employees about available commuter transportation services and resources.
 - Participated in the Henrico County Government Sustainability Energy Fair, engaging with over 90 attendees, providing specialized transportation information to three individuals, and generating one vanpool inquiry.
- Formed 1 new vanpool (7) passenger from Glen Allen to the Veteran's Administration Hospital in Fredericksburg.
- RideFinders was in attendance at the Chesterfield Chamber of Commerce meeting, August 25, 2026
- Developed the Commute Champion Spotlight initiative to showcase commuter success stories and experiences.
- Used Caroline Tobe's submitted Commute Champion Spotlight form to develop a feature story for our website news page, highlighting her experience navigating Richmond without a car by using transit, walking, and carpooling:
