Introduction

RideFinders is a division of GRTC Transit System with the same Governing Board as GRTC. The Governing Board and Advisory board assist with charting strategic direction for RideFinders, but does not micromanage tactical day-to-day operations. RideFinders maintains a substantially independent operation within the parameters defined for the agency by its bylaws and affiliation with GRTC. GRTC provides RideFinders with substantial operational and marketing support in the manner of outside consultants or vendors.

BOARD OF DIRECTORS:

Benjamin P. Campbell, President/Chairman (City of Richmond) Gary Armstrong, Vice-President/Vice Chairman (Chesterfield County) Eldridge Coles, Secretary/Treasurer (City of Richmond) George Braxton, Director (City of Richmond) Ian Millikan, Director (Chesterfield County) Daniel K. Smith, Director (Chesterfield County)

RIDEFINDERS ADVISORY BOARD (RAB):

The RAB serves in an advisory capacity and as a forum to assess stakeholder views. The RAB is comprised of members from various stakeholder organizations and are as follows:

Chessa Faulkner, Chair (Chesterfield County)Ron Svejkovsky (Crater Planning District Commission)Todd Eure, Co-Chair (Henrico County)Ken Lantz (Richmond Regional Planning District Commission)Dironna Clarke (City of Richmond)Daniel Salkovitz (Virginia Department of Environmental Quality)Chris Arabia (VDRPT)Stephanie Phillips (Greater Richmond Chamber of Commerce)Ivan Rucker, non-voting (Federal Highway Administration)Walter Johnson, non-voting (Private Citizen)

STAFF:

There are six (6) staff members. This includes: one Executive Director, one program manager, two account executives, one administrative support technician, and one client services specialist.

FUNDING:

Funding is provided through the Plan RVA with Congestion Mitigation & Air Quality (CMAQ) funds (\$500,000 base plus yearly Consumer Price Index increase), the Virginia Department of Rail and Public Transportation (VDRPT), the City of Richmond, Chesterfield County, Henrico County, and the Crater Planning District Commission (\$35,000). VDRPT funds special projects at 80% with a required 20% local match.

The TPO has provided consistent financial support with TPO CMAQ and/or Regional Surface Transportation Program (RSTP) funds.

Programs & Services

Transit Information: provides commuters with GRTC transit information; sells transit fare media; and promotes the Commuter Choice and swipe card programs.

Vanpool Services: supports vanpools; provides vanpool formation services for area employers.

Carpool Matching: "matches" commuters with those in their neighborhoods that also share similar work locations and hours.

Clean Air Campaign: helps to improve the region's air quality and notifies employers of Ozone Action Days issued by the Virginia Department of Environmental Quality.

Commuter Choice Program: assists employers with the development and implementation of tax-free transportation benefits programs.

Telework: RideFinders serves as a resource center for program development, technical assistance, and financial incentives at employer sites.

Emergency Ride Home Program: provides taxi or rental car service to get home in the event of an emergency for registered commuters who ride the bus, vanpool, bike or carpool to work at least three days a week.

Transportation Planning: supports transportation demand management (TDM) strategies through the regional transportation planning process and serves as a distribution site for requests for public input on draft transportation plans.

Employer-Based Marketing: promotes TDM strategies through the Employee Transportation Coordinator (ETC) network established at employer sites.

Employer Relocation and Site Analysis Services: assists with implementing TDM strategies during company relocations, conducts employee surveys, produces density plot maps for vanpool and carpool formation, and develops employee trip reduction programs.

Bike and Pedestrian Commuter Services: supports commuters who bike or walk to work with the Emergency Ride Home (ERH) Program and safety clinics.

Park and Ride Lot: provides formal and informal park and ride lot information to area commuters who are interested in taking advantage of a shared-ride commute mode.

Programs By the Numbers: FY16 – FY19

Commuter Store • Vanpool • Carpool • Employer Services • Transit • Emergency Ride Home Program

Commuter Store Operations FY16		FY17	FY	18		FY19

Registered Carpools		106	109	132	*	366*
Emergency Ride Home Trips Provided	131	114	96		101	
New Employee Transportation Coordina Associates	79	48	35		55	
New Vanpools Started		15	10	9		11

*Agile Mile captures the number of members that recorded their carpool trips, not registered carpools as the previous database system did.

Commuter Store – Walk-In Customers

Snapshot of What We Do:

The Commuter Store located at 1013 East Main Street, Richmond, VA is in the historic Ironfronts building, and is a street level ADA accessible operation in the heart of financial business district. The store serves as a hub for commuters to purchase transit fare media and other items, register for ridematching services, pick-up transit schedules, obtain customized trip planning, receive individualized training on how to use GRTC services and fare media and other activities.

The chart below shows the Commuter Store walk-in customer activity.

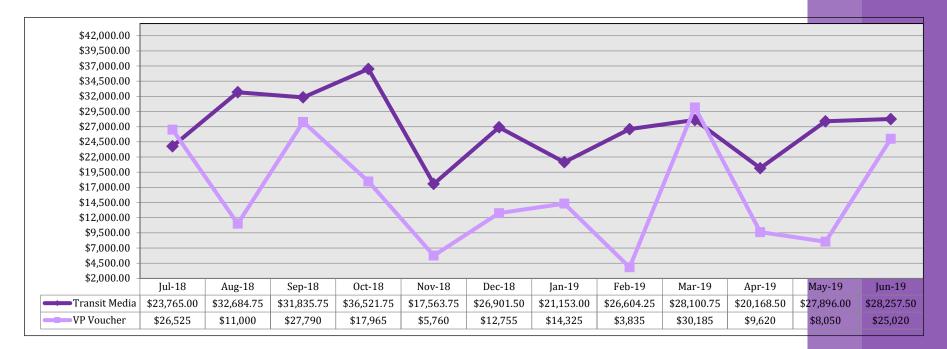

Commuter Store – Transit Fare Media & Vanpool Vouchers

Snapshot of What We Do:

RideFinders sells GRTC transit media fare passes and CARE tickets for paratransit services) and vanpool vouchers for vanpool riders. The fare passes and CARE tickets are purchased by individual commuters and by employers enrolled in the Commuter Choice program. The vanpool vouchers are purchased only through employers.

The graph below is representative of sales of transit media sales and vanpool vouchers.

FY19	Transit Media	Vanpool Vouchers
Total	\$321,452.50	\$192,830
FY18	Transit Media	Vanpool Vouchers

FY20: 6-month report

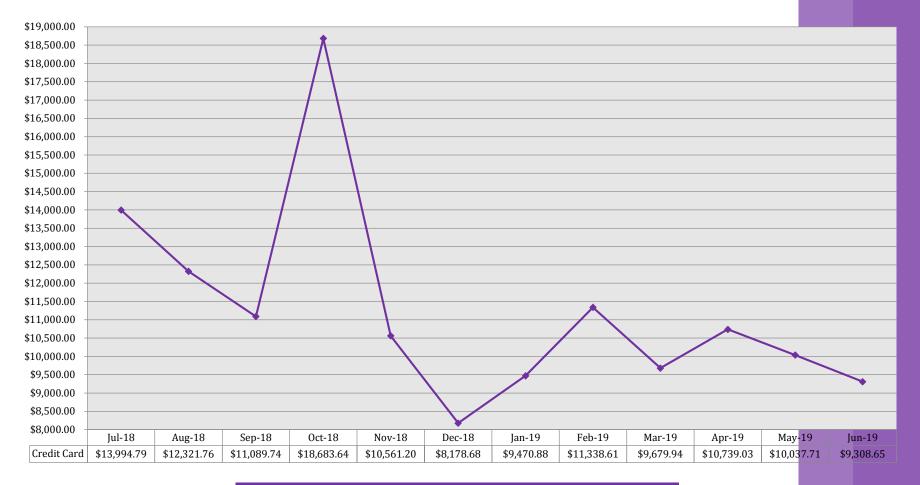

July 2019- December 2019

Credit Card Sales

Snapshot of What We Do:

RideFinders also provides customers the ability to use credit cards for their transit fare media, commuter store novelty items or stamp purchases.

The graph below is representative of credit card sales. Please note these number are also captured in other sales data.

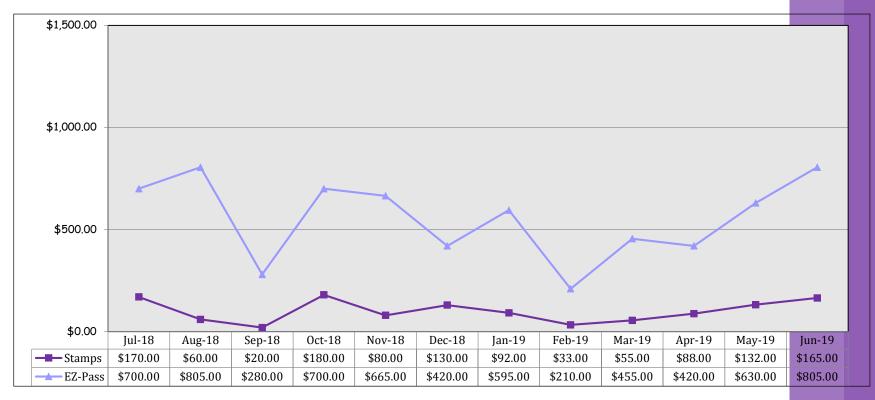

There was a total of \$135,404.63 in credit card sales in FY19.

There was a total of \$141,334.38 in credit card sales in FY18.

Commuter Store – Stamps & EZ Pass Sales

Snapshot of What We Do:

In addition to GRTC transit media, RideFinders also sells EZ Pass transponders and stamps. These items are purchased by individual commuters and provides convenience to commuters working in and around the financial district. The graph below is representative of sales of EZ pass transponders and stamps.

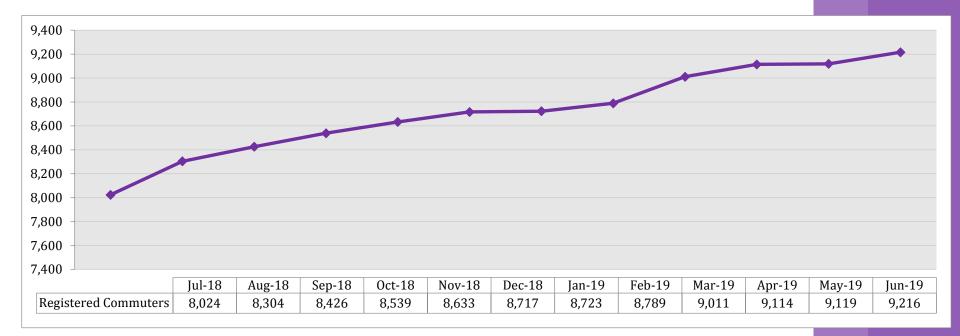

FY19	Stamps	Stamps Sold	FY19	EZ Passes	EZ Passes Sold
Total	\$1,205	116	Total	\$6,685	191
Please note: Pr	ice change in a bool to \$11 in January 2	x of stamps from \$10 2019			
FY18	Stamps	Stamps Sold	FY18	EZ- Passes	EZ-Passes Sold
Total	\$1,212.20	123	Total	\$10,360.00	296

11 – RFs FY19 Program

Total Registered Clients

Snapshot of What We Do:

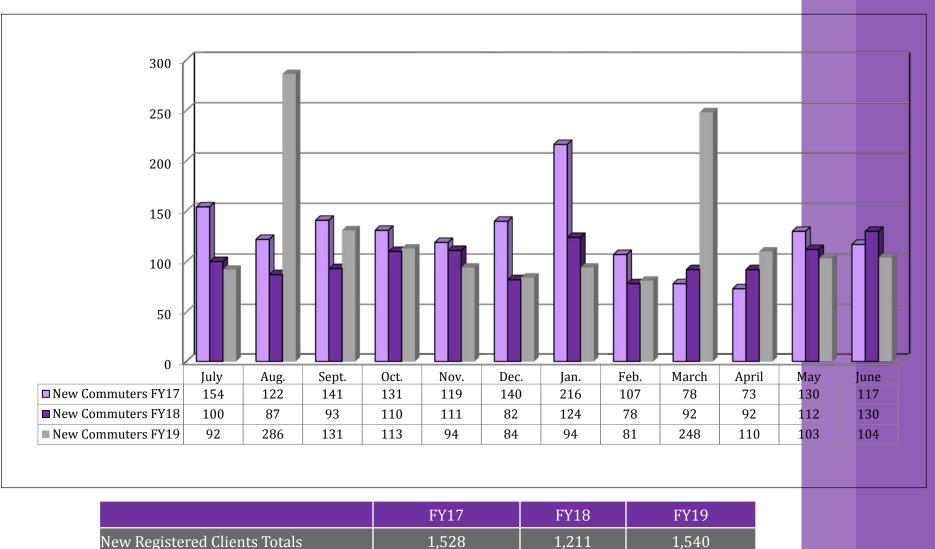

RideFinders utilizes Agile Mile (formerly called NuRide) to track all registered clients.

New Registered Clients

Snapshot of What We Do:

RideFinders utilizes Agile Mile (formerly called NuRide) to track all newly registered clients.

Emissions Data

Snapshot of What We Do:

Agile Mile (formerly called NuRide) provides emissions data based on participants that record carpool, vanpool, transit, bike, multimodal and walk trips as well as trips not taken due to teleworking.

FY19 (July 2018-June 2019)		FY18 (July 2017-June 2018)		
Commutes	All Modes	Commutes	All Modes	
Gallons of gas saved	113,982	Gallons of gas saved	158,108	
Reduced NOx (lbs)	3,183	Reduced NOx (lbs)	4,424	
Reduced VOC (lbs)	3,140	Reduced VOC (lbs)	4,364	
Reduced PM 2.5 (lbs)	46.4	Reduced PM 2.5 (lbs)	64.5	
Reduced CO (tons)	8.30	Reduced CO (tons)	11.5	
Reduced CO2 (tons)	1,117	Reduced CO2 (tons)	1,549	

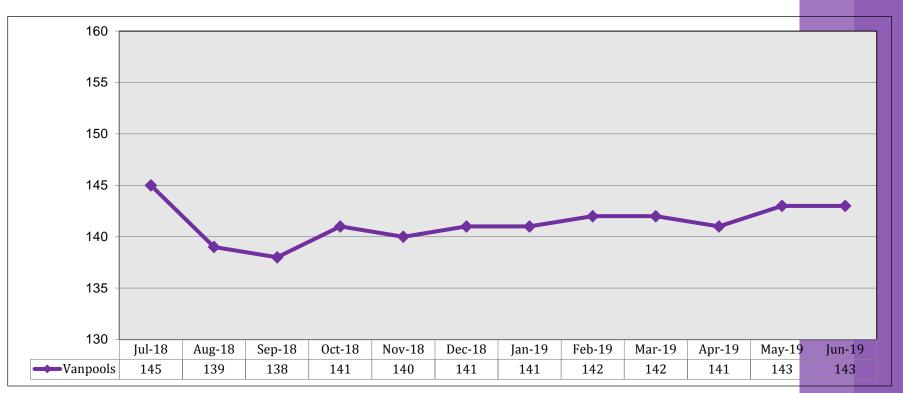

Gallons of gas saved = Gallons of gas saved during the specified period

- Reduced NOx =NOx not emitted during the specified period VOC not emitted during the specified period
- Reduced VOC =
- CO (carbon monoxide) not emitted during the specified period Reduced CO =
- PM 2.5 (particulate matter) not emitted during the specified period Reduced PM 2.5 =
- Reduced CO2 =CO2 (carbon dioxide) not emitted during the specified period

Vanpool Program

Snapshot of What We Do:

RideFinders supports the formation and continued operation of vanpools in various ways. RideFinders does not own or operate any vans; maintenance, insurance, fare collection and all other aspects of daily vanpool operations are addressed by third party leasing agencies.

- a. Started eleven (11) new vanpools with 7- passenger capacity.
- b. Modal placement of 76 passengers in empty seats on existing vanpools.
- c. Provided \$7,093 in van save subsidies to sixteen (16) vanpools serving the region.
- d. Hosted six (6) vanpool formation meetings.
- e. Vanpools that arrive or depart (or both) by locality: 30- Chesterfield/Chester, 40- Henrico, 29- Richmond, 23-Tri-Cities, 16- Hanover, 3- New Kent

Vanpool Program At-A-Glance

Snapshot of What We Do:

RideFinders supports the formation and continued operation of vanpools in various ways. RideFinders does not own or operate any vans; maintenance, insurance, fare collection and all other aspects of daily vanpool operations are addressed by third party leasing agencies.

Emergency Ride Home Program

Snapshot of What We Do:

RideFinders provides the Emergency Ride Home (ERH) program provides eligible, enrolled commuters who carpool, vanpool, bike or ride the bus to work at least three days a week with a ride home or to their vehicle if an emergency occurs while at work.

There were 105 total ERH trips.

Emergency Ride Home (ERH) program trips – 105 include serving some of the following localities Ashland (1 trips), Chesterfield (8 trips), Henrico (30 trips), and Richmond (14 trips). Other localities served included: Williamsburg, Tri-Cities, Newport News and Petersburg.

Program Highlights

- Outreach team targeted businesses with onsite visits along the Henrico County expanded route from Willow Lawn to Short Pump. The team rode the bus routes and distributed both Henrico County and RideFinders marketing materials.
- Established five (5) new Commuter Choice programs: The Community Foundation, REAL LIFE, Blessing Warriors, Department of Elections and RK&K.
- Renegotiated lease of office space resulting in six (6) months of no rent and lowered initial payments at 7.86% reduced rate.
- Participated in PlanRVA's Park n' Ride Study Advisory Group.
- Served on the International Rescue Committee as a transportation resource.
- Partnered with the City of Richmond for the City's Multimodal Day (June 18, 2019) and Try Transit Week.

Awards:

- 2019 Award of Merit, Richmond chapter of the Public Relations Society of America (PRSA), Shoe String Budget category for the project, "RideFinders Commute Green Summer Challenge"
- 2018 Outstanding Marketing Campaign (under \$2,500), Chesapeake chapter, Association for Commuter Transportation (ACT), for the project, "RideFinders Commute Green Summer Challenge"
- U.S. Environmental Protection Agency (EPA) Clean Air Award of Excellence in the Transportation Efficiency Innovations category for the project, "RideFinders Commute Green Challenge"

MARK R. WARNER VIRGINIA

UNITED STATES SENATE WASHINGTON, D.C.

January 17, 2020

Ms. Von Tisdale Executive Director RideFinders 1013 East Main Street Richmond, VA 23219-3503

Dear Ms. Tisdale,

I am pleased to extend my warmest congratulations to the staff of RideFinders as your organization receives the 2019 Clean Air Excellence Award from the Environmental Protection Agency.

This honor serves as a tribute to RideFinders' innovative efforts to improve air quality. Through programs like the Commute Green Summer Challenge, you encourage Central Virginia residents to carpool, bike, walk, or use public transit when commuting to reduce their carbon footprint and save money. Your efforts also help lessen the burden on transportation infrastructure and promote a healthy economy. I commend you for your contributions to the Commonwealth.

On this important occasion, I join your families, friends, and community in saluting RideFinders' accomplishments and wishing you continued success in the years to come.

Sincerely,

Jork R Warner

MARK R. WARNER United States Senator
