

Draft Regional Conformity Report

RRTPO

Technical Advisory Committee Meeting
July 7, 2021

Presentation by:

Sulabh Aryal, AICP

Transportation Planning Manager

Conformity Overview

- Conformity analysis is a demonstration of compliance with the Clean Air Act
- Richmond area was a non-attainment (and later maintenance) area under the 1997 8-hour ozone standards
- In attainment for all current standards
- Court ruling in 2018 requires continued demonstration of conformity under 1997 standards (anti-backsliding)

Draft Regional Conformity Report

- Projects included from entire Richmond 8-hour Ozone attainment area
- Projects from ConnectRVA 2045, FY21-24 TIP and Tri-Cities MPO 2040 LRTP
- Interagency Consultation Group Meeting
- Must undergo public review before adoption
- Policy Board authorized TAC to review draft and open public review

Requested Action

RESOLVED, that the Richmond Regional Transportation Planning Organization opens a 15-day comment period for public review and input on the draft regional conformity report to run between July 9, 2021, and July 24, 2021.
