# TIP Amendment VDOT Request 2

TAC Meeting  
October 4, 2021

# Overview

- At the September 15 meeting, the Commonwealth Transportation Board (CTB) approved the I-95 and I-64 Corridor Improvement Plans
- The CTB also approved the addition of projects from the I-64/I-95 plans to the Six-Year Improvement Program for Fiscal Years 2022-2027
- These projects are to be funded with Interstate Operations and Enhancement program funds

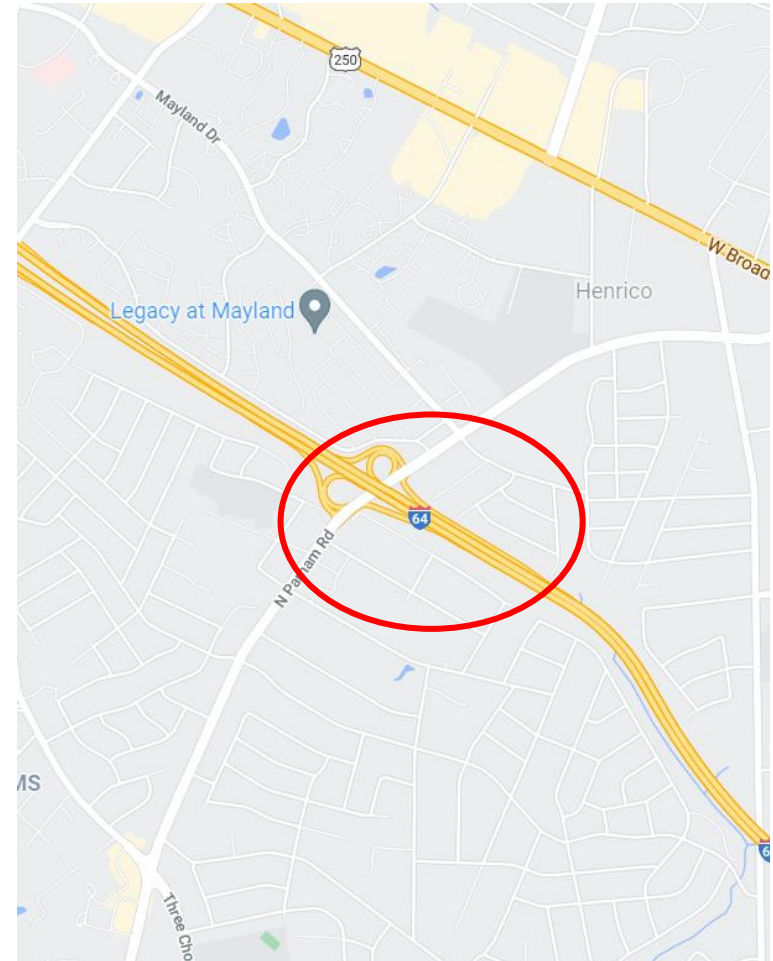

# Overview

- In total, 12 projects have been funded in the Richmond area that need to be included in FY21 – FY24 Transportation Improvement Program (TIP)
- 11 projects are still under review or proceeding through the normal TIP amendment process
- 1 project is expected to start by early November; VDOT is requesting a modified amendment process for this project to meet this schedule

# Project Details

**Description:** I-64 WB – Exit 181 (Parham Rd) – Improve Interchange Configuration

Phase	Cost
Preliminary Engineering	\$1,750,000
Right-of-Way	\$500,000
Construction	\$9,750,000
<b>Total</b>	<b>\$12,000,000</b>

# Modified Process Proposal

- VDOT, in consultation with TPO and Henrico County staff, proposes that the policy board allow TAC to review and take action on the TIP amendment to add this project
- This process would allow for potential approval on October 12<sup>th</sup> rather than December
- If approved, the project would be able to start by early November as intended

# Action Requested

**RESOLVED**, that the Richmond Regional Transportation Planning Organization (RRTPO) policy board authorizes the Technical Advisory Committee (TAC) to review and take action on the proposed amendment to the FY21 – FY24 Transportation Improvement Program (TIP) to add the I-64 WB & Parham Rd Interchange Improvements project.
