CTB – February 2021 Meeting Update

- **Workshop Presentations**
  - Coronavirus Response and Relief Supplemental Appropriations Act
  - Interstate Operations and Enhancement Program
  - Project Pipeline and VTrans Needs Prioritization
  - Revised SMART SCALE draft funding scenario due to correction needed identified in Environmental Factor scoring

- **Action Items**
  - Approval of State of Good Repair (SGR) Prioritization process
  - Approval of FY22 SGR Percentage Fund Distribution
  - Approval of Proposed Amendments to Rules, Regulations and Rates concerning Toll and Bridge facilities
  - Authorized DRPT to enter into agreements with CSX and Amtrak

CTB - Next Meeting: Virtual
- **Workshop and Action Meeting** on Mar. 17th at 9:00am

Smart Scale – Round 4 (FY22 – 27 SYIP)
- OIPI presented scores and revised draft funding scenario at the February meeting
- Anticipate CTB to take action this spring
- Continued outreach from OIPI anticipated

SYIP Development
- Official revenue estimates for FY22-FY27 have been released by CO
- Development of the FY22-27 SYIP is underway
  - The spring update is expected to be a full (normal) SYIP update to address all project needs
- Information regarding VDOT Six-Year Plan public hearings will be provided as soon as it is available
  - Anticipate meetings to be virtual

Interstate Studies: I-95, I-85, I-64, & I-295 [No Change from Last Update]
- I-64 CIP study – VDOT continues to evaluate cost estimates on the I-64 widening
  - Reviewing due to SMART SCALE Round 4 results
  - Looking for potential efficiencies/reduction in estimates of high-risk project components
    - FYI – May see work along I-64 as geotechnical data is being collected – soil borings being collected
- Information regarding upcoming Public Involvement meetings will be shared when available
  - Anticipate spring 2021
