

Public Participation

We encourage members of the public, our stakeholders and guests to follow the activities of the RRTPO! Check out our complete [Public Participation Guide](#) online at <https://planrva.org/wp-content/uploads/Public-Participation-38.pdf> to learn about the different ways you can stay connected and involved. In the meantime, here are a few basics:

All public meetings hosted by PlanRVA (including those of the RRTPO, CVTA and Regional Commission) are open to the public and we invite anyone who wishes to attend. If you require any special accommodations, please contact PlanRVA at 804-323-2033 or email PlanRVA@PlanRVA.org with your request at least 48 hours prior to the meeting so we can process your request for accommodations. Members of the public who chose to attend in person and wish to speak during the public comment period will be asked to sign in providing their name, locality of residence or business and topic they'd like to address.

We are now offering a virtual option for participation! To participate in the public comment period or submit comments during the meeting virtually, please register in advance via Zoom Webinar. A link to the Zoom Webinar registration is included in our emailed meeting announcements and on our website's [full meeting calendar](#) at <https://planrva.org/calendar/>. You can "sign up" to participate in the public comment period just as you would in person.

Can't make the meeting in person? No worries! Every public meeting is live streamed via our YouTube Channel at www.youtube.com/c/PlanRVA. If you'd like to watch what's happening live, tune into our YouTube Channel at any point during the meeting to catch the livestream or check back later to watch the recording which are archived there. You can always submit comments before or after the meeting to input@PlanRVA.org with the specific topic you're addressing included in the subject line.
